FLORIDA VAN COUNCIL

Minutes of the March 8, 2025 meeting at Sidewinder's in White Springs are as follows:

Konehead called the meeting to order at 12:17 PM.

Minutes of the January 11, 2025 meeting were read and approved.

There were 6 clubs present and NO Excused Absences (out of 12 clubs total) during roll call.

TREASURER'S REPORT:

Linard gave the treasurer's report.

NEWSLETTER REPORT:

Gnarly gave the newsletter report. Deadline for inputs to the next newsletter is May 4, 2025. Linard noted that we need to see more articles in the newsletter written by the vanners, not just the officers.

VAN-IN UPDATES:

FVC

Might have a meeting on June 7 at Endless Summer in Port Orange.
51st Van Nationals

Northeast Ohio Van Congress – Great eVant and they donated some of the proceeds to the 52nd Van Nats and the 2025 Council of Councils meeting.

52nd Van Nationals

July 9 – 13 – Albert Lea , MN The grounds are set. Dakota Street Vans will run the van show on Friday.

Konehead

October 24 – 26 Konehead and Friends Robinson Ranch. Still a go. Everything the same as last year.

FVC

November 21 – 23, 2025 FVC meeting and eVant at Doe Lake Power in the building only. Just a counter top with power for crock pots and electric skillet.

VAN-IN PROPOSALS:

None

OLD BUSINESS:

There was no old business.

NEW BUSINESS:

CofC 2025 MEETING: Judith gave an update. The meeting was held in Baltimore. There were 22 councils in attendance. Only 10 councils bothered to fill in the on-line registration form. There were no formal bids to host the 2026 meeting. The meeting was good, but somewhat haphazard to start. The meeting room was not properly set up for the meeting, so the vanners and cleaning staff got, and arranged the chairs.

OPEN DISCUSSION:

Judith noted, again, that for all eVants, give the host club/council your REAL NAME (not your handle, etc.) and emergency contact.

She also noted that the NATS Board wants more younger folks to apply. They have enough old farts.

It was noted that the Museum of Vanning wants to set up some kind of Vanning Hall of Fame.

The following vanning guests (who came to this meeting from afar) were recognized:

Shelley & Rick Farmer, from Illinois

Jerry Coffey, from Illinois

Paul & Janet, from New England

Mike & Marie, from New England

Cari made a motion to adjourn and the 37-minute meeting was concluded at 12:54 PM

Respectfully submitted,

John M. Cunningham

Secretary

FVC President

Hi all,

Not a whole bunch going on here. Had a great time at sidewinders for the meeting and party. Plenty of food fun and fire. Tom

dialed in my AR-15 for me (might be able to hit something now). Fun hay ride and good turnout.

Not much in vanning going on right now, won't be going to Don Noone's run this year, i know I'll miss a fun time! Richard VonBrocken's van met a horrible ending, caught on fire and was destroyed, sad ending for a beautiful van. Looking forward to seeing everyone at endless summer for the June meeting.

It appears the show continues, you know the *@#! show...

Storms last summer slowed us down somewhat dramatically, well as most of you know our charter boats are part of Dolphin Village Shopping Center on St. Pete Beach. Well, the Publix and CVS burned in a fire bringing over 30 Fire assets to respond and 26 hours later was extinguished...The fire was less than 100 feet away from the boats and has significantly altered the traffic flow into the shopping center, many other shops were involved as well. Our little world cannot catch a break as of late... The dock and boats are ok, quite the odor however remains in the area. Fires took away some great vans around our state recently too!

OK, well our Nats plans are in development and for the I believe, the 1st time ever, we made early camping reservations, Northern Minnesota apparently only gets like 2 weekends of summer camping up there & it books up very early.

Thank you Sidewinder for hosting us & for the most incredible 'lil campfires!

Don't forget you can watch our dock and now the shopping center demolishing/ rebuilding 24/7 at: www.youtube.com/@dolphinlandings/live

Also we will be travelling in the GnaRV this summer with a Starlink, be sure and ask me about this game changing new tech!

Gnarly

FVC Treasurer

Hi all, I hope your spring has been good. Broward would like to thank everybody who showed up for our Hillbilly Weekend in March. We would like to especially thank the out-of-state vanners who made the trek down south to party with us. It's always good to see new faces. The weather was nice, a little cold to start but warmed up a little by Saturday.

Good sleeping weather. Tom got lots of wood chopped and stacked, thanks to Randy and Gary. I am not sure who was having more fun, Gary or Randy! I know Tom appreciated it.

Friday night we had grilled cheese sandwiches to go with all the soup and chili. Thanks to everyone who made something. Thanks to Leo for manning the grill for the sandwiches. It takes a group effort to stay fat. Saturday, we had our big breakfast. Eggs, biscuit and sausage gravy, grits with cheese and of course bacon! The evening meal had lots of pork, chicken and venison and all kinds of fixings that everybody brought. You should have been there.

Saturday night we did our trailer rides through the woods. We had a large fire both nights, I am sure they could see it from the space station. It was a very large circle around the fire. Randy did a good job burning Tom's wood. The rain held out until Sunday night, and I mean it poured. All and all, it was a great weekend. Love getting out of the rat race. Come join us next year!

Coming up in Florida we have Konehead's on October 24-26. Get your pre reg in. Then on November 21-23 we have the council meeting at Doe Lake. Just because it's a meeting doesn't mean you can't come out and play. Our January meeting in 2026 is set for the 9-10 weekend. We are only doing two nights this year. Be safe and live life.

Linard

Dear FVC,

Another year is halfway older. We must be having fun because the time has certainly flown. I hope everyone is relatively well.

I know as I am aging the medical field is finding more things to bug me about. It's supposed to be another record breakingly hot summer so hang in there and keep yourself hydrated. Most of us taking meds now realize the heat is not good for what ails us.

I am still looking for someone to caravan back to Florida from Minnesota, after the Nats. Please let me know if you are driving back without too many side quests. I don't like to be gone more than 2-3 weeks at a time.

I am selling my scooter, if anyone is interested, give me a call and I'll bring it to a get together. I'm asking \$250. It's only been ridden twice.

We have been doing some pop-up get togethers as there are just not enough get togethers with the FVC schedules anymore. I miss my peeps fixes 💖 Stay safe and in touch.

Best wishes and love one another.

Cari from Cocoa Beach.
