## FLORIDA VAN COUNCIL

Minutes of the January 15, 2011 meeting at Doe Lake Campground in the Ocala National Forest are as follows:

Linard called the meeting to order.

Minutes of the November 13, 2010 meeting were read and approved.

There were 10 clubs present and NO Excused Absence (out of 12 clubs total) during roll call.

Linard welcomed our out-of-state vanners.

Cari gave the Treasurer's report as Mook was sick. We did net \$45 on the Keys eVant. Linard reminded everyone that FVC dues are due now.

Linard noted that we've been lax on handing out membership packages when FVC dues are paid each year. He noted that our major expense is the

FVC newsletter plus mailing costs. Cale noted that we can get laser-cut dash plaques. Magnetic dash plaques were suggested. Cale suggested that we change the color each year. We still have FVC stickers. Linard will check on dash plaques, etc.

### **FVC NEWSLETTER REPORT:**

Gnarly asked that you notify him if you, or anyone else you know, didn't get their newsletter. Please let him know at [news@floridavancouncil.com](mailto:news@floridavancouncil.com). He also asked that, if you see a vanner, ask him if he is a member of the FVC. Cale noted that, in his club, each member of a couple is an FVC member.

The latest version of the FVC newsletter is on the website in .PDF (printable file) format, which everyone should be able to open and/or print. If you don't want/need a printed copy, just let Gnarly know.

The group seemed to think that the FVC newsletter should be available for free on the FVC website. Agnes said (to a round of applause) that Gnarly did an excellent job on the first issue he did as newsletter editor. She also thanked him for taking it over.

### **OLD BUSINESS:**

Judith said she will be printing FVC t-shirts today. Mook said she has some FVC t-shirts for sale.

### **FVC MEETING DATES FOR THE REMAINDER OF 2011:**

Date	Location
March 12	Sidewinder's Log Cabin – White Springs
June 11	St. Cloud – Floridian R.V. Resort
September 3	Junior and Glenda's - Englewood
November 12	St. Cloud – Floridian R.V. Resort – Pig Roast and Election of Officers

## VAN-IN PROPOSALS:

Vanners for Vanners January 2012. Doe Lake Campground, Ocala National Forest. In limbo, until we get a definite date for the event.

## VAN-IN UPDATES:

**FVC** Primitive at Tom's log cabin in White Springs. Make checks payable to "Earl Morris". Bring your best "Ellie May" coveralls for Friday night costume. Covered dish dinner Saturday night. The FVC meeting will be held on Saturday, March 12, in conjunction with this event.

**Foreplay** Bikini Beach Blast at Beverly Beach. Music, games, show-n-shine. Theme is 60's Beach Party. Dress appropriately. Thinking of having a food vendor. Will have a new trailer with grill. Band Friday night is Fug Nutz. Saturday night will be Karaoke.

**Jr. & Glenda** September 2 – 5, 2011. Englewood, FL. Get ready for water aerobics.

**FVC** High School Daze at Sunshine Key Camping Resort in the Florida Keys. Mile Marker 39 on U.S. Highway 1. \$75 per van (2 people) - \$15 extra people. \$105 sleep-in trailers. Extra days available at vanner rate 1 week prior to and 1 week after the event.

**Chester Ranch New Yrs** Will have the annual New Year's Eve party, as well as another event sometime during the coming year. It might be a canoeing event.

Randy Connell thanked everyone who came to this event. He especially thanked them for letting us know in advance. That helped out on food purchase and preparation. He also thanked the vanners for their cooperation in dealing with the new host ranger. The vanners moved their generators to cut down on the noise at night.

## OPEN DISCUSSION:

R.V. noted that unexpected guests can arrive at your event. An event was listed on the website. Two narcotics agents showed up because they heard a rumor that pot would be smoked at the event. They were disappointed. No pot was being smoked.

Several guests were recognized.

Jim Harris came from Silver Springs, FL.

Rick Tidewater, of Cruz'n E-Z Vans showed up with his friends.

### **NATS UPDATE:**

Judith noted that you get a free t-shirt if you show your van. They've got lots of Bands, dash plaques, and she's 99% sure that they will have a "burn out" contest. A show of hands indicated that 11 vans from Florida will be attending this year's National Truck-In.

There was a short discussion regarding inappropriate behavior at all events.

### **BID FOR COUNCIL OF COUNCILS 2012:**

Gnarly, Mook, Dan'o, Judith, Cari, Scribe John, Junior & Glenda are scheduled to be at the CofC meeting in Buena Park. Word on the street is that Myrtle Beach, S.C., Texas and New England are also making a bid to host the 2012 CofC meeting.

Gnarly noted that the 2011 meeting will have a lot of magazine reps and Big Commercial entities there. He thinks this is a good thing.

Cari had the official bid form, printed from the website. Proposed dates would be February 3 – 4, 2012. The CofC meeting would be held on Saturday, February 4, 2012. Room rate is \$89/night for 2 double beds/room. The form was filled in during the meeting and Cari would mail it after the meeting.

We recapped that we will propose a Van Show, Sailboat rides directly from the dock at the hotel, a tour of Joe Madonia's Vanning Museum, and seminars on How to Judge a Van, How to Show Your Van, and others. We will have the van-shaped badges again, and have a contest for the Best Decorated Name Tag.

Linard said we need to start thinking about goodie bags and door prizes. Judith asked for donations to cover the cost of the commemorative pens we're handing out at the upcoming CofC meeting.

Cari made a motion to adjourn and the meeting was concluded.

Respectfully submitted,

Scribe John  
Secretary

Hi to all! It was good to see everybody at Vanners for Vanners. We had a good turn out the food was great and it wasn't to cold. I am looking forward to next year! I just hope the park ranger and his wife are gone next year. They need to lighten up a little. I am sure Randy will straighten them out for next year. Thanks for having us again and keep up the good work.

The next meeting is at Sidewinders house and is Browards semi primitive. So bring a covered dish with something in it for Saturday night. We will have the main dish. Also bring your best overalls for the weekend. We will have breakfast Saturday and Sunday morning. If you want to bring a soup or something for Friday night, I'm sure we will eat it. If you are going just let us know so we can get a head count. E-mail or call me 954-472-0461. Bring your 4 wheelers or two wheelers. Plan to spend the weekend.

This meeting is going to be a planning and work weekend. If you haven't heard we got the bid for C of C for 2012. So we have a lot to do. Bring your thinking caps. We need door prizes, goodie bag stuff and you. I am sure we can out do our last C of C we put on. This will take everybody's support to do this. I hope to see you at the meeting .

A quick note on the Keys truck in. Spooky Tooth has been trying to get with the campground on pricing but keeps getting the run around. We might be seeing a price increase this year. With the small numbers we are having it's hard to have a lot of pull. We will keep trying.

Well that's it for now. Drive safe and see you soon!

Linard

### Vanning Chow – by MKM

In memory of Grandma Shirley, Matt's mom, I love this recipe and I'm sure that she would be honored to share it with vanners.

#### Sausage Bean Chowder

- 1 lb sausage
- 2 cans pinto beans
- 2 cans Red Beans(drain & rinse)
- 1 lg can diced tomatoes
- 2 cans diced white potatoes
- 1 bay leaf
- 1 good sprinkle Italian spices

Put everything in a large pan, and simmer on stove for 30 min--We like it better the second day. Be mindful that you can add more meat if you like, and less beans, that's what we do. The original recipe is above, play with it and see what you come up with, Matt says "I'd love to run into a good bowl of Sausage Bean Chowder at a truck-in". Enjoy!

Dear FVC,

Had a pretty good time in California. The meet and greet with old friends is always great but the weather was less than spectacular and several people were sick or came home sick. Thankfully I wasn't one of them.

Mom arrived the next day for a week and we have been having a fun time gorging on rock shrimp, mom's favorite.

Looking forward to the primitive at Tom and Sheila's. The FVC meeting will be held there, Saturday @ noon. Be ready to get into the planning stage for the Council of Councils. Each of you are going to be required to get involved. All ideas welcome. John Attrill has already planned the Vanner's Cruise for Saturday Jan 28 thru Thurs Feb 2, 2012. \$300 p/p; price should go down according to how many people interested to qualify for the group rates.

If you get a chance to go into the FVC website, there is a direct link for the C/C hotel, the official C/C website, Vanner's Cruise, photos and so much more. Huge thank yous to Randy and John for their efforts to get this thing online. The theme is baseball spring training so start getting your costumes together for that. It would be great for every one to have at least one baseball themed wardrobe change, especially for Saturday night festivities.

I am ready for a relaxing weekend on the beach with Foreplay in May, Labor Day with JR and Glenda, the FVC Truck-In in the Keys and any thing else we can squeeze in between. Congratulations to Lin and LewJ on their new son, Christopher. Please email me about goodie bags, door prizes, artwork, etc for Council of Councils 2012, Florida, Home of the Winter Nationals, Spring Training.

Take care, be good to one another and keep the wheels on the road. Bring a friend and get free 50/50 tickets!

Cari

## From the Desk of the FVC Treasurer

Hello everybody! Just got back from California..Now I can say that California literally makes me sick! The Mook and Cari Show was a little sluggish this year. Thanks Cari for having a Large time without me with Mr. Bill. What was supposed to be our annual drink a thon with him, well, I missed it. Thank you Cari for saving my hangover for another time and sorry about your head.. We had a great girls day with manicures and pedicures to make up for missed time though.

Gnarly and I had a fun time also, we spent the night in the Morengo Valley Desert. We woke up to cactus and snow capped mountains, and some very cold 30 degree air! After touring most of LA and its surrounding outskirts, we finally made it to the hotel. The bands and party's were good, although we were a bit sleepy, we still indulged. The meeting on Saturday was good, not too long. The bid went well and of course most of you know, we WILL be hosting C of C 2012! Let's really put our heads together and make this one the best one yet! There are plenty of things to do so start thinking what you would like to help with.

Thank you for those that have paid your dues. We are getting some great weather so far this year, and boy I am ready for an Evant! Hey, it's Sidewinders and Wow, Beverly Beach will be right around the corner from that..Woohoo

Get in your pre regs so Foreplay can make a great time for you.

Happy Happy Birthday Cari and Glenda!

That's all for now, see all of you soon!

MOOK

### **From the Editor:**

Thank you all vanners who provided such a large time at Vanners for Vanners 2011! Just a little challenged when provided with a LARGE pile of wonderful firewood, and not allowed to burn it all up – I need some new parameters please!! That said, it was a very nice fire that warmed us all up!

And I suppose those embers were floating up nicely... some of us had a larger time than others, I won't mention blue/green van owners names here tho... Looking forward to attending the gathering at Sidewinders Cabin!

If you missed California, they did a nice job, and chose a great hotel!

Now that we are hosting next years Council of Council Meeting in St Pete – we have our work cut out for us – lets get those 'inactive' van owner friends involved this year, rejoin the FVC and lets see everyone like it was a decade or 3 before!!!

Great part of having the vanning family is travelling, some vanners know how to experience the family to the fullest travelling the country and the world and the vanners in those parts take us and show us about and help us learn the local's ways. I am learning how to do this – Thank you Vince and Midwest and Cali, and the rest of you all to give Mook and me an unforgettable experience of L.A.

(If I don't ever see LAX again in this life, please understand, I took lots of pictures to get me by).

Captain Gnarly – [news@floridavancouncil.com](mailto:news@floridavancouncil.com)

Another Vanners for Vanners is in the history books.

Thanks to all that came, especially ya'll from the frozen north. We

had a great time putting it on and hope everyone enjoyed themselves. I won't apologize for the Host's attitudes!!! We, everyone there, went out of our way to keep them happy. Judith had a long talk with the Ranger on the way out, and I sent a letter of complaint to the District Ranger. Hopefully no one else will have to put up with that BS !!!!

Mark your calendars; we're doing it again next year. Jan 13-15 2012. Flyers will be out soon.

Randy

## **Report from on the road**

WOW,

What a great time was had by all at The Council of Councils meeting in CA. They really showed us a great time. Thursday we piled in cars, vans and anything that would transport us to the George Barris shop for a fun tour. George was not there but we had a great time anyway, Jr was able to show us around. There was lots of stuff to see. Then most went off to the Peterson museum. Thursday night was wine tasting and another large time was had by all. All consumed lots of different wine. Friday was filled with seminars and in the evening a trip to Hooters was enjoyed by many. Then Friday night there was a great band for the dance. Saturday some hardy souls got up at 5 am to go to the Derelict donut shop to see more cars. The meeting with its new format went very well. Geoff Koome is now the Chairperson for the C of C board. After 22 years Bryan Walker stepped down. A round of applause was given for all of Bryans hard work over the years. The meeting was once again broadcasted on Vannin.com. At the close of the meeting all the reps were given special reps patches. Cari and Mook were given the pass along plaque as the next meeting well be here in FL. In the afternoon there was a van show. Virtual Vanner had set this up. There were over 60 vans in the show. Hot Rod and Truckin Magazines attended the show. If you go to Truckin magazine on line you will see many pictures of the show. There were some really nice vans to be seen. Saturday night there was another great band and a dance. The hotel was really nice and everyone from the hotel and the entire host group of Left Coast Vanner went out of their way to make us feel welcome.

A lot of us arrived early for the meeting. On the Saturday before Tom Chronister and I picked up Howard, Geoff, Sonya, Murf and Ken from the airport. Later Astro arrived. There was much shuffling of cars. Saturday we went junk yarding and everyone found things they wanted. We then went to Brad and Vickie's for dinner. We spent the first half of the week touring Venice beach, the Santa Monica pier, Grumman Chinese theater, Bob Big Boy, the Queen Mary, etc.

On the way out I stopped to visit JD in Mississippi and we went to the World of Wheels in New Orleans, they I went on to spend the night at Steve Carpenters in Barton Rouge and the next stop was Shade Tree (Judi and Droopy) in TX. After leaving there I went to LBJ's ranch in TX and then the Sonora Caves. Took me 4 days to get our of TX. I had my first stop by the boarder patrol in NM. In AZ I spent several day in Tucson with my nephew before going on to Organ Pipes NF (stopped 5 time leaving there) and then to CA and the Joshua Tree NP. After 3145 miles I arrived at Toms.

I started back via RT 66. Did all of it that still exist in CA and am now in AZ with Billo and Karen
