*****CofC2012 meeting to follow the regular FVC meeting*****

August 7, 2011 - Next Newsletter deadline – August 7, 2011

FLORIDA VAN COUNCIL

Minutes of the March 12, 2011 meeting at Sidewinder's House in White Springs are as follows:

Linard called the meeting to order.

Minutes of the January 15, 2011 meeting were read and approved.

There were 7 clubs present and ONE Excused Absence (out of 13 clubs total) during roll call. We recognized a new club from Jacksonville, Meandering Vanners of Jax.

Mook gave the Treasurer's report. She noted that she has a few FVC t-shirts available for sale.

FVC NEWSLETTER UPDATE:

Gnarly gave the newsletter update. Linard said we need more articles for the newsletter. You don't have to be an officer to write an article. Articles can be directly about vanning, or about camping, or recipes, or poems, etc. The deadline for inputs to the next newsletter is May 22, 2011. Agnes asked Gnarly if he could send out a reminder when articles for input to the newsletter are due, and send it to every member, not just the reps.

MEETING DATES FOR REMAINDER OF 2011:

Date	Location
June 11	Magnuson Hotel – Marina Cove – St. Pete
September 3	Junior and Glenda's in Englewood
November 12	St. Cloud – Floridian R.V. Resort – Pig Roast and Election of Officers

OLD BUSINESS:

Linard said, "No, I didn't check on dash plaques."

NEW BUSINESS:

Cari noted that the FVC won the bid to host the Council of Councils (CofC) 2012 meeting.

Cale noted that we should re-visit the thoughts about hosting an event in River Forest, just outside of Deland. The place has been re-built.

VAN-IN PROPOSALS:

Chester wants to do an event when folks will actually come. He's still planning on having his annual New Years get-together. Get with him to see what dates will work for an event in 2011.

Broward

March 2012. There will be the usual semi-primitive event at Tom's house, in conjunction with an FVC meeting.

VAN-IN UPDATES:

- ForePlay May 6 - 8, 2011 at Beverly Beach. Cale noted that they would have a newly-finished trailer that they will use for food vending.
- Hot Rod Magazine June 4 - 11, 2011. The tour starts in Cocoa Beach (Port Canaveral) on June 4 and ends in Detroit on June 11.
- FVC Labor Day, 2011. The usual party at Junior and Glenda's in conjunction with the FVC meeting on Saturday, September 3. Englewood. This will be a "work party" meeting for preparation of hosting the CofC 2012 meeting.
- GSVR VII October 1 - 2, 2011. Cherokee, NC
- FVC October 29 - 31, 2011. Sunshine Key. Spookytooth went down and got the contract signed. No increase in rates. The current flier on the website has the accurate info.

Linard suggested that the June 11 FVC meeting be held at the hotel where we are going to host the CofC 2012 meeting. We'll have a better chance to check out the hotel, etc. on Saturday after the FVC meeting.

COUNCIL OF COUNCILS 2012 MEETING:

Cari said we need fliers with telephone number plus info on our web site. Joe & Bonnie want to be a vendor at the event.

Judith was talking w/Matchstick to do printing. The hotel will have no specials, etc. for breakfast, or other things. It was thought that there are no restaurants near the hotel. Someone mentioned that there is a T.J. Friday's, and Grocery store nearby. Cari will check with the Chamber of Commerce to see what restaurants, grocery stores, etc. are actually near the hotel, as well as discount coupons.

Cari noted that we have had requests to do a Pub Crawl, as well as a Van Show with People's Choice voting, and a Super Bowl Party on Sunday. Dropjaw Magazine is coming to the meeting. We want the host council to participate in the Baseball theme, so, be on the lookout for baseball uniforms to wear on Saturday.

We will be having the traditional Pajama Party on Friday night. We might have a Midnight Grill, hotel permitting. "Astro" of Vannin.com offered to post a CofC Facebook Events page for CofC 2012 meeting under Vannin.com. The group thought it was a great idea. Scribe John will e-mail him to see that this happens.

The hotel has only 150 rooms and they're going fast. The hotel does have microwave, ironing board, etc. We may have to have Gnarly or one of the other locals scout around for an overflow hotel, if it looks like this one will not handle all who want to come.

When Linard held a unanimous hand vote to formally make Cari the head of the CofC 2012 Meeting, she said, "I thought I already was." That drew some laughter.

Linard thanked Tom & Sheila for hosting this meeting and weekend event. He noted that dinner would be at 6 PM, and be sure to set your clocks ahead one hour. We lose the hour we gained back in the fall. One vanner noted that the time certainly wouldn't affect our party time for the evening. We might have lost an hour when we wake up on Sunday morning, but nothing is going to short-change the party on Saturday night.

Cari made a motion to adjourn and the meeting was concluded.

Respectfully submitted,

Scribe John
Secretary

FVC President

Well, it's almost half way through the year and we have been having fun. Tom's house was a great time. Randy had lots of wood (to burn). He did a good job on the pile but the challenge was too great. It is not too often he leaves wood unburned. I am sure they could see that fire from the space station. We ate bambi that Justin got this year, along with other good eats. Smokey got his fix on the tractor. We had lots of new faces there this year and the weather was perfect. We can't wait till next year. We will make sure and not plan it on bike week. So plan to attend!

Did you make it to Beverly Beach? We had a great turn out. New faces and old face's and out of town faces. Good to see Lisa from Coastal and Bullwinkel and his wife from Liquordale and many more. As usually Fore Play did a BANG UP job. The weather was excellent and the water cool. Pam got her fill of sunshine and Justin and Rusty Wayne were both water logged. So far Sidewinder has made all the eVants this year. Next year plan on coming early and let's do it again.

Our next meeting is going to be at the hotel of the C of C. We plan on staying overnight to iron out details. We need to look for a overfill hotel. So come and spend the weekend. You can find the info on the website, also make your reservations for the 2012 C of C while you are at it. I made mine already. We need to raise some money, so put on your thinking caps. Bring yourself to the meeting and check out the hotel, I'm looking forward to it.

See you soon, Linard

FVC Vice President

Dear FVC,
Having fun at summer camp. My year has been up and down but mostly up. Thanks to all of your well-wishes concerning my hip replacement surgery in December. Thank you also for your kind thoughts about my grandmother's passing at Easter. At 91, our family had a pool to see how many of us she would out live. A couple of us were starting to sweat a little. 😊

So far this year we've been frozen, rained on and most recently, enjoyed a beautiful weekend on the beach. It was great to see Vanners from other regions at some of the eVANTs mentioned. Welcome all who care to join us. A special big hello to Cindy Lou and Jeff. Oh No-o, don't forget Mr Bill.

There's still the Nats for those of you attending, Labor Day Grilled Cheese sandwich weekend, GSVR, the Keys and the Pig Roast with a side of election of Officers. But first, the trip to Magnuson Resort, in St Petersburg for the FVC meeting and site tour on June 11. The hotel is giving us the Council of Council rate, please call to make your own room reservations if you are staying over, ph: 1-800-227-8045, and ask for the Florida Van Council rate. Am looking forward to a weekend at Skokonuts Resort for Memorial Day weekend. Not public knowledge? Sorry Lew and surprise Agnes.

I hope to see each of you at an eVANT real soon.
Smooches and hugs and chocolate chip cookies,
Cari

From the Editor:

Wow, great couple of eVANTs, Thank you Sidewinder for hosting a terrific weekend... and um... well all I can say is I did my best, and I think I blew out my elbow tryin to get all that wood on the fire... Please don't think less of me for leaving some behind!!

Thank you all for attending our Beach Party – I'm not sure but I think EVERYONE was there at some point! Hope you had as good a time as we did! I also want to thank Luke again for his photography efforts and liberal sharing – and thanks to all who contributed the letters this issue ☺

Captain Gnarly – news@floridavancouncil.com

FVC Treasurer

Hi Everybody! I HOP here, haha. I hope all of you that went to Beverly Beach this year had a great time. I know I did.. Thanks to all who came and supported us, it was an awesome crowd. I can not wait until next year already! I hope everyone is doing good. Well, I heard this morning that gas prices are going down, that sure is good news. Especially for all of the vans going to the Nats this year. I am so looking forward to another adventure (with no injuries!). Let me know if you are going to the Nationals, so I can get a general headcount, and when you will be arriving so we can figure out parking arrangements on the grounds. Also keep on the lookout for things for goody bags for C of C. If anyone knows any businesses that are willing to donate, hit em up.

Travel safe, and Happy Birthday Agnes! xoxo MOOK

For those that made it to FOREPLAY'S BIKINI BEACH BLAST thank you very much. We had over 12 vans at the park on Thursday night. That was amazing. 40+ vans total through the gate for the weekend. Was looking around 25 to 30 vans so what a big surprise. It was great to see so many out of state vans. The weather was great the whole weekend. Just another great weekend on the beach. For those that are thinking about making the trip sometime. STOP THINKING AND DO IT.

We had many activities to keep all the kids busy for the weekend. Big thanks to LOLO for all the work. I think the adults had a good time. I didn't hear any complaints. I didn't check the 800 complaint line yet. As usual JR ran a very different show and shine. The band was real good on Friday night and SHOGUN entertainment was in full gear for Saturday night. GO NAVY SEALS.

We had a very good weekend. Something that don't get said much anymore is the park loves us and wants us back. How crazy is that. With that being said rumors have already started about next year. From what I hear "HELL YA". Stay tuned for more details. Thanks to everyone that came out and thanks to all the members of FOREPLAY to make this weekend rock.

MAGOO

Thank you Foreplay for hosting another great Beverly beach van-in. You all did an excellent job. I know a lot of hard work goes into hosting these events. The effort is greatly appreciated. Our first

Foreplay hosted vanning was in 2007, and we have not missed one since. We came down Thursday after noon thinking we would be one of only a couple of vanners at the camp ground. Man, were we wrong, and I'm glad. The vanners just kept coming. Thursday night we had 15 vans. We had 41 vans total for the weekend. It was great to see many out of state vanners that came back to party with us. It was also a pleasure to meet many new vanners. I would like to think with numbers like these vanning in Florida is growing. In the past year or so I have seen a couple of FVC members really working hard on "the betterment of vanning" You guys know who you are and I thank you. I'm personally trying my best to promote vanning. I got flyers to hand out to any one I talk to that maybe a potential vanner, and a few other things I'm working on. Just trying to spread the word. Just the other week I met a couple who were vanners here in FL in the 80s. They didn't know we were still around, now they do and hopefully I have reignited their interest. Also take notice of the recent "positive" media coverage of vans. There is a few TV commercials currently airing and a few features in magazines including the latest issue of HOT ROD with coverage of this past CofC with a pic of our very own Judith showing off her jacket patches.

Keep On Vanning
Luke

I just completed new engine install on my 67 "Blue print stroker 383" and it is ready to rock. Kept me busy for awhile and I missed you guys at

a cpl. events. We really wanted to make Beverly Beach but I WILL be at the FVC meeting on June 11th at the hotel with the 67. See Ya all there...RV

Well, the 2011 Vanning Season had a good start with Vanners for Vanners in January. It was great to see vanners from out of state come to this event. Just getting out of the cold North was well worth their trip. As always, the food and entertainment was the best. Thanks to Lew and Agnes for the Steelers Game!

Next was Sidewinders Primitive. Another great time was had by all. Again, great food and entertainment. The afternoon entertainment was great, Maggi thinks if we go at it again, the South will definitely win this time. Also, Captain Gnarly did his best by giving us a nice campfire on Friday and Saturday night. (Our paint has finally cooled off!)

Moving on to Beverly Beach, another great time put on by Foreplay Vanners. It's the next best thing to the Keys. Again, we had out of state vanners which shows the worthiness of making this van-in. It was especially nice to see one of our old vanners return after a 20 year absence. I'm talking about Dan Larcomb (Bullwinkle) and his wife Laurie. She was a puppy trucker at this event and partied with the best of us. Enjoyed the band on Friday night and even the karaoke Saturday night. The van show, tiki bar, the weather - another successful weekend.

Looking forward to the June Council Meeting at St. Pete Beach to check out where the Council of Councils 2012 will be held.

Last but not least, I have to prepare the van for an uneventful trip to the Nats in Ohio.

Spooky Tooth and Maggi Mae (Vans of Ft. Liguordale)

My computer crashed so I have been out of commission for several weeks. Only 12 more days til summer break!

I just wanted to thank everyone who came to Tommy's. I like the laid back atmosphere at this eVANT. How many other eVANTs not only allow firearms but provide a time and place to shoot them. Like most eVANTs where food is involved, the vanners out did themselves. I can't find the words to describe that "campfire". It will be a while before anyone gives Randy a challenge like that again. We had a great time. I had all my grand kids there and that kept me busy. Ila's kids had a fantastic time. They would be mad if they knew I went to Beverly Beach without them. Speaking of Beverly Beach it was a beautiful week-end. Only Lew caught something and spent most of his time inside. I spent way too much time doing work. However I did get out Friday night to dance and mingle. Also a day at Beverly Beach working with the sound of the ocean in the background and breaks with friends sure beats working at home. Thanks ForePlay for a wonderful eVANT. I'm glad we were able to attend. See you at the meeting.

Agnes

Sidewinder's 2011

**Fore Play Vanners
Beach Party**

Hi all,

Well here is my adventure so far. Rain, Rain, Rain and more Rain. Spring Back was a lot of fun. We had rain and sun and lots of fun. The van was running really bad. I had a tune before I left and they were to check the belts and hoses. So I put a new cap and roter on and a fuel filter. That didn't help. So we decided to put on new

wires, it got worse. Check the spark plugs and they were in finger tight. We re-gaped them and it ran better for awhile. Got about a hundred miles from Coops and it started missing again. So when I stopped at Cathy and Dennis Smith I had Denny look at it. We check all the hose and found two that were worn out and one taped with duck tap and fastened with a zip tie. Also two gas hose that needed replaced. Did all that and it still missed. So we went back to the spark plugs and found one not firing. Changed them and now it is running fine.

This weekend I was that Vantasia vans event in MO and boy what a great time. There was a line at the gate. And well over a 100 vans from all over the country and Canada. It is a truckin I will defiantly go back to. Everyone was super friendly and the bands were really good.

Next stop is Mid West vans next weekend in IL. I'll see some of you in July at the Nat's

Vanning Around the World
