# **FLORIDA VAN COUNCIL**

Minutes of the January 18, 2014 meeting at the Chester Ranch near Morriston are as follows:

Rich called the meeting to order. Leslie couldn't make the meeting because her husband, Luke, is in the hospital.

Minutes of the November 9, 2013 meeting were read and approved. It was noted that the dates for the FVC Truck-in were incorrect on the printed copy of the minutes in the FVC newsletter, as well as the on-line version. Secretary's note: Scribe John checked on this when he got home and found out that he had, indeed, made the correction, but, somehow, still sent the wrong version out to the FVC officers and FVC newsletter.

There were 8 clubs present (out of 14 clubs total) and 2 Excused Absences during roll call.

## **TREASURER'S REPORT:**

Linard gave the Treasurer's report. He noted that the FVC needs to purchase a P-touch label maker. A motion by Cari to purchase this item was carried by voice vote.

## **NEWSLETTER REPORT:**

Gnarly thanked everyone for the huge amount of inputs he got for this issue of the newsletter. Those inputs that came way past the deadline will come out in the next issue. Deadline for inputs to the next issue of the newsletter is right after the Council of Councils meeting in February. We want to have those inputs and photos in the March issue.

## **MEETING DATES FOR THE REMAINDER OF 2014:**

March 15	Meeting in conjunction with primitive event at Sidewinder's in White Springs
June 14	Meeting in conjunction with Coastal event at Clark Family Campground near Orange City.
August 30	Meeting in conjunction with event at Junior and Glenda's in Englewood.
November 8	Election of Officers and Pig Roast – Floridian R.V. Resort

## **OLD BUSINESS:**

Dash Plaques: Joe Madonia asked if we are still giving out dash plaques and membership cards every year. He hasn't had one in a while. A discussion of dash plaques followed, and Joe brought up the point that he knows of a place where we can get rectangular dash plaques made without any minimum order.

That isn't true of the round dash plaques we have been getting. It takes a special die to cut out the round dash plaques.

Floridian R.V. Resort: It was noted that nobody seemed to be able to get through to the campground regarding the deplorable condition of the bathrooms. The number Judith gave us at the last meeting seemed to either be busy, or not answer. Since nothing ever seems to be done to correct the situation, it was decided that we need to search, in earnest, for a new campground.

It was noted that this is one of the few centrally-located campgrounds that let us circle up our vans, and not be confined to parking one van per site. However, the drawbacks have come to outweigh the advantages.

Scribe John noted that, for 2014, we only need to find a suitable campground for ONE meeting, the November Pig Roast and Election of Officers meeting. The other four meetings are in conjunction with an event. In most years, we do not have an event in June, so, for the average year, we only need to find a campground that is centrally located, for 2 meetings a year. And, it doesn't necessarily have to be the same campground, as some campgrounds are full in the June timeframe and some are full in the November timeframe.

The prospect of having the meetings in a State Park campground was discussed. There was the point that you have to pay to get in to attend the meeting, even if you're not camping. One member noted that, at the campground over in Zephyrhills, it only cost \$2 if you were a guest. Another topic was the consumption of alcoholic beverages. One person noted that they thought it was OK to drink in your own campsite, but not in the public area, where a meeting might be held. Also, could we reserve campsites in advance, so we could be parked together? And, would we be allowed to bring our own smoker for our pig roast meeting? These considerations, and maybe a few more, would have to be addressed if we use a State Park campground.

All the members present were asked to SERIOUSLY LOOK for campgrounds or state parks located in the central area of the state that would be suitable for us, and bring the details to the next meeting. We don't mind a reasonable drive, but having a regular meeting in Key West or Pensacola is pretty much out of the question.

## **NEW BUSINESS:**

New Van Club. Joe Van noted that he has brought back an old van club, with a slightly revised name. Everyone welcomed Adventure Vans of Florida as our newest FVC club. In the distant past the club was known as Adventure Vans of Ocala.

FVC Stickers. Dan'o has a printing machine capable of making the FVC stickers for us. It would cost \$2 for a standard small size and \$10 for the bigger size sticker. Also, custom colors, window-size decals etc. could be ordered for an increased price. Linard said that we probably have enough on hand for a year. Gnarly asked if the FVC wanted to get them from Dan'o and

re-sell them to members. There wasn't much enthusiasm for the FVC getting in the middle of this. If Dan'o is willing to do this, let him do it. A motion by Cari that Dan'o be authorized to create and distribute stickers and decals in a variety of sizes and colors utilizing the official FVC logo was passed.

## **FVC President**

We started the New Year off great. My first meeting at Chester's was to say a little nerve wracking. My first time at the head table. You see it done a hundred times, but now it's you! It was like "oh hell now what do I do?" I will get better and will not leave my gavel at the table again (thanks Linard).

Next it was off to the Council of Councils in New Orleans. The ride with Gnarly and Mook was hilarious. The whole time with them was so much fun. Thought we had a good turn out from Florida Van Council. Congrats to Buffalo Bob for winning best interior at the van show.

We enjoyed the tour at the rum factory. We couldn't see wasting all those samples, so we did our best to see them put to good use. Between Gnarly, Mook, Lori and I, I think we had about 50 empty sample cups. Even left with a bottle or two.

Thank you guys for a good time.

See you all at Tom's for the next FVC meeting!

Richie

## **FVC Vice President**

I hope everyone is doing well. I apologize for not making it to Chester's but you all know the reason. From what I have heard, a great time was had by all that attended. I also enjoyed seeing everyone's pics from C of C in New Orleans.

I wanted to take a minute to say thank you for all the prayers, love, and support that all of our vanning family has provided during this trying time. FVC members are the best! It has meant a lot to both Luke and myself. Things are finally starting to look up.

I can not wait to see you all at Sidewinders in March. Continue to take care of yourselves and each other. Let's make this a wonderful year!

Leslie Stanziani

## FVC Treasurer

Well, a new year is upon us now. We had us a nice cold weekend at Chester's place. We got to watch the bird's ice skate in the bird bath in the mornings. I'm glad I had directions and the bitch (Pam too) to help me find his place; it's really dark out there at twelve o' clock in the morning. We had a nice fire and if you got to cold, you could warm up

in the house. Plenty of food and good times for everybody that was there. Thanks Rick and Nancy for having us.

The next meeting is at Sidewinder's house in White Springs. We need to get a head count on who is coming, so please call me (home 954-472-0461) leave a message or e-mail me at (morr465@bellsouth.net or l Morris@erwparts.com) . We will supply the main dish and you bring a covered dish (with something in it) for Saturday night. Friday night will be soup night, so if you want to bring something, feel free to do so. I'm sure we'll eat it. We hope to see you there.

We need to think up a theme for the Keys truck-in at the next meeting. So put your thinking caps's on and bring it to the meeting! If you can't make it, then send it to the officers. Get involved and don't sit in the back! Have you sent your pre-reg in for the next event yet?

Drive safe and hope to see you soon.

Linard

Vanning, its not for everyone, I suppose that's good, however... don't be afraid to invite your friends and others you meet... You never know who the next new vanner is!

NOLA... well, I can now I've been there & done that...I enjoyed the opportunity to catch up with an old friend who moved there many years ago, he showed me & Mook the local's version and

did not disappoint!

I want to thank Richie and Lori for the cost spitting measures and good travelling times. Also want to thank Dan'o and Bonnie for sending me lots of photos.

I had a tough time condensing all the great input for this newsletter! With all of your great help, this Newsletter is the best in Vanning!

## New Years Party and 1<sup>st</sup> FVC meeting of 2014 at Chester Ranch

## 2014 CofC meeting in NOLA

## Featured FVC member - Dan (Dan'o) Werry

Once upon a time there was this guy. At the time he was just known as Dan. Kind of a regular guy who drove a white 67 Firebird with slotted mags and fat 50's on the back. Dan would cruise up and down the main drag (Woodman Blvd) in Dayton, Ohio every Friday and Saturday night. Well one Saturday night while hanging out in the parking lot of the local

watering hole The Dixie Electric Company I met up with a friend who was driving an awesome GLOSS BLACK! Ford van with wall to wall silver shag carpet on the interior. The year 1982! My friend Gary Hudson who worked as a carpet installer was working for a Vanner. After Gary went to his first truck-in he went out and bought the Ford Van and had it painted and he finished the interior out himself. My brothers' friend Terry had a custom van and I always liked it, but he never talked about going vanning. Gary began to fill me in on all the happenings at truck-ins or Van-in which some call it. Gary asked me if I wanted to go to one sometime and I expressed quickly YES, sure! When is the next one? Gary said in a couple weeks, we can spit the costs, just bring your own food and beer! Easy enough!

My first truck-in was hosted by Mid-West Vans for their International event. As I recall there were about 750 vans in attendance. Yes, 750 vans! Remember 1982

To make an unbelievable story short I returned from that weekend a different person. I went out and bought a 1975 Chevy Van (shorty) with a 350ci motor and a 3 on the tree trans. The van was already somewhat customized but I added my touches like anyone would. It wasn't long before the Firebird was sold and vanning was the choice for the weekends. Ya see back then there was a truck-in somewhere in the tri-state every weekend. Even the smaller truck-ins would bring in 350 vans.

I decided to join the same van club my friend Gary H. had joined since they made me feel so welcomed into their camping spot a couple times already. Back then there were a couple van clubs in the Dayton area and South Towne Vans LTD was a close nit group. At the time and for many years Gary (Woodstock)Pendington was the president. I stayed with STV for a few years before moving to Daytona Beach FL in 1986. I had sold my van and bought a car that would make the trip to Florida and was off to start a new life at the age of 25.

Several years went by and I eventually bought another van, a 86 Chevy (long wheel) with a 6 banger automatic in it. I put a gullwing door and visor I found at the local bone yard on and had it painted dark blue metallic. It wasn't until 1995 that I spotted a little red early Ford van going down the main road with a blonde driving (Hattie Stumph) that I was able to find vanning in Florida. We didn't have the internet to search these things up like we do now. I didn't catch up to Russ n Hattie until later that month when Coastal was hosting a truck-in at Bulow Campground north of Daytona. See I was in the chiropractor's office when I heard some guy in the lobby asking who owns this van out in the parking lot. Since I was in no position to jump up and see what he (Spaceman) wanted. He left a flyer on the windshield and the rest is history. I soon joined up with Coastal Vans of Daytona and cruised with them for many years, and I am currently a member of Adventure Vans of Florida, and The Florida Van Council.

Over the years I have had several vans,

1975 Chevy shorty	1969 GMC Window Van	1993 Astro Van
1987 Astro Van	1986 Chevy Long Wheel base	1993 Ford Van
1996 Dodge Van	1992 Astro Van	1994 Astro Van
1968 Chevy Van	1978 Chevy 4x4 van	1966 GMC Van
2012 Ford van		

Although the party's still go on late into the night I find myself more content on hanging out with friends around a campfire or radio playing some old-time rock n roll and exchanging story's from past adventures, and plans for new ones. The traveling also suits me. Getting out on the open road and seeing what this country has to offer and sights to see is awesome. Being there is way better than pictures!

So I say, van-on my friends until we park together again!

Dan'o

Dear FVC, For those who didn't make it, you missed a fabulous time in NOLA. The Vintage Vanners did an awesome job putting this together and showing us a wonderful time. Amie and Smiley rock! I finally crossed the mechanical bull off my bucket list! Video on my FB page thanks to Darrin Bentley. The weather alternated from good to bad to good to bad during the 5 days I was there but didn't damper our fun. I also want to extend my thanks to Rick and Nancy Chester for opening their home and showing us another very good time. Looking forward to New Years again with you. Thank you too to Tom and Sheila for opening their home to us for this most recent eVANT. I don't mind the drive and enjoy getting back out in the woods for each of these trips. Coastal will be next and there's sure to be good food at Clarks. ForePlay will also be entertaining us at Beverly Beach in May. I hope that everyone can join us for each of these eVANTs and bring a friend or 2 to share the good times. Your support and participation of each eVANT guarantees the host club the ability to improve on "The betterment of Vanning!"

Best wishes to all.

Cari

The 2014 Council of Councils in New Orleans was an excellent adventure. The Vintage Chevy Van Council, particularly Amie Accardo Krake and Smiley Wilson did a great job. This group showed what even a small group of dedicated Vanners can pull off. The Pajama party on Friday night with the band Levee Mule was a blast. The Costume Party on Saturday night was fun, with a lot of interesting costumes. There was a Van Show on Saturday afternoon. I

was stoked to get the "Best Interior" The first trophy for the "Red Ball Express"

I was an honor to be the 2nd Rep. to the C of C with Ritchie. At the meeting The Colorado Van Council's proposal to host next year's C of C was approved. It will be in Denver.

Things are going okay for this year's Nats in N.Y. But due to rules nobody will be allowed to park inside the pole barns and Vans, etc. must stay 5 ft. away. Doc Sousa and Eddie Eddie are working hard to put on a quality eVant.

Word is the 2015 Nats will be back in Altamonte, IL. again , but if so an announcement won't be made until this year's Nats.

It was a great experience to meet and party with Vanners from around the USA, England and even a great group from Norway. Vanner's from all over have a lot in common.

I'm sorry we will not be at the meeting, The FVC was well represented at the C of C and I was looking forward to sharing all our stories with everybody it will be fun I'm sure. We are playing host to a couple of Vanners coming down for Bike Week, Ralph and Charlie.

Keep On Vanning...We will see ya'll at Beverly after we go up for the SEVC's Spring eVant in April.

Hi all,

Sorry to have missed you all at the Chester Ranch. My brother can into town for the first time in about 15 years. I look forward to seeing all of you at Tom.

John and I drove to the council of Council, stopped along the way to Geo Cache in each state. Coop

followed us the whole way. We had a nice drive and worked on the FVC By-laws while we drove. We will be presenting our results at the next meeting.

Council of Councils, What a great time. Amie and Smiley and the VCVC did an outstanding job. They went out of their way to make everything great for everyone. The hotel was really nice. It was right on the Trolley line. You could ride all day for \$3. It was well used as were all the restaurants in the area. Couldn't go anyplace without seeing a vanner. I think a very large time was had by all. There was King Cake in the hospitality room every day. And I received one in the mail the day after I got back. Thanks Smiley. The party Saturday night was lots of fun. At least half the people dressed us. The had a photo machine there and we were able to get out photos done while we waited. The meeting itself was productive.

Thanks to all of you who helped at the Nats. We were able to pay it forward. We donated money to both the 42nd Nats in NY and the 43rd Nats in Altamonte IL. We also made an additional donation to the Mid Ohio food bank and to the girls basketball team that washed vans at the Nats. Our board meeting went well and it was really short only 3 ½ hr.

See you all soon.

Judith
