## **NEWSLETTER REPORT:**

| November 15 | Election of Officers and Pig Roast – Zephyrhills<br>Auto Show near Tampa |
|-------------|--------------------------------------------------------------------------|

## **OLD BUSINESS:**

November meeting at Zephyrhills: The Pig Roast will be at the campground. The FVC meeting will be at the show. Those who are not camping but want to attend the meeting can stay in the campground for \$2 per person, provided it is not for the whole day. No camping at that price. But, you can come to the Pig Roast and enjoy most of the day with the rest of us. Those who aren't camping can get a ride into the show with someone who has his vehicle in the show. We'll try to have a flier out ahead of time, but all the final last-minute details will be worked out with lots of postings on Facebook.

## **NEW BUSINESS:**

Glenda noted that they would not be able to host the end-of-summer meeting next year on Labor Day Weekend 2015. They have a commitment for that weekend. She gave that notice one year in advance so the FVC can decide what to do about the meeting for 2015. The options are, basically, to either change the date of the meeting, or the location of the meeting. Joe noted that changing the date away from Labor Day means we wouldn't have the long weekend. Cari noted that our chances of getting a suitable location, especially if we choose a campground, are greatly enhanced if we do NOT choose the

Labor Day weekend. The weekend before, or the weekend after will probably be best for campground availability. This needs to be discussed at the next two meetings.

### **VAN-IN PROPOSALS:**

There were no new Van-In Proposals.

### **VAN-IN UPDATES:**

GSVR X                October 3 - 4, 2014 – Flaming Arrow Campground, just south of Cherokee, NC. Hosted by the Southeast Van Council. No update.

FVC    October 24 - 25, 2014 – Halloween in the Keys. Sunshine Key Campground, mile marker 39, U.S. 1 in the Florida Keys. Linard said we need to get our pre-reg in for the Keys. He also noted that the old fishing bridges (on either side of the new bridges) are closed for one or both sides. So, don't count on fishing off those old bridges. Gnarly said we'd have trophies this year. We got them from this years' NATS. Spookytooth said it would be great if Derek played for us one night. Cari will be in charge of contacting Derek and getting the details taken care of. Remember, if you need to call Spookytooth the week before the event, call his cell phone. He'll be down there early, so DON'T call his home phone. Call him at 954-695-5786 if you have any questions.

Vanners for Vanners    February 20 - 22, 2015 – River Forest Group Camping Site in the Ocala National Forest, near Deland. Everything is going fine. Scribe John again noted that we definitely need to know how many vanners are going so we'll be prepared with enough food. Please let us know, even if you can't pre-reg at this time. He asked for a show of hands as to who's planning to go. Only got about 6 hands raised, but there were only about 12 vanners at the meeting so that probably isn't a real good final count.

ForePlay                May 1 - 3, 2015 – Beverly Beach Camptown, Flagler Beach, FL - Magoo said everything is on schedule.

### **NOMINATION FOR FVC OFFICERS FOR 2015:**

Junior decided he's stepping down as Van Judge and nominated Dan'o for FVC Van Judge for 2015. Dan'o accepted the nomination. There were no other nominations. Nominations will be re-opened at the November 15 meeting

Mook noted that she and Gnarly are planning to attend the 43rd Van Nationals in Altamont, Illinois in July of 2015.

Cari made a motion to adjourn and the meeting was concluded.

Respectfully submitted,

Scribe John, Secretary

## Featured FVC Van – Panda Mark's Gator Van

The Gator Van is an award winning 2005 Ford E-150. It has a 4.3 motor and is rolling on custom 20 inch wheels.

The Gator Van is one of fifty gator themed vans that were built. It has a one of a kind paint job that was freshened up and racing stripes added in June 2014.

It also sports a custom fiberglass body kit and low profile high top roof. This allows for extra interior height but still allows The Gator Van to be safely tucked away in a garage.

Mark's van has a Florida gator themed interior that will be updated in 2015, so be on the lookout for that.

## Featured Vanners - Luke & Leslie

Luke (aka Lukester) started his love for vans as a young child due to his grandfather's 1985 Dodge B250. He bought his first van, a 1978 Dodge Maxiwagon at age 16. It was honestly a rust bucket but was all he could afford while working at McDonald's. He

proposed to Leslie in that van (I guess everyone knows what her answer was). He ended up selling it a year later.

The first van Luke and Leslie owned together was his grandfather's Dodge. They went to New Jersey to bring her home. The love of this van (aka Black Magic) was what sparked the interest in finding others who felt the same.

Luke found vanning.com and Crazie Bob. Bob invited them to attend an event in 2004. It was in White Springs at Side Winder's hunting lease. They had a great time but ended up disappearing for a while.

They reemerged at Beverly Beach in 2007 and have been going strong with the FVC ever since. They have no plans of ever disappearing again. They are passing on the love of vans and the vanning community to their four children as they are the future vanners.

Leslie is the current Vice President of the FVC while Luke does all he can to promote the FVC on Vanning.com and anywhere else he can.

The one wish they both have is to see vanning grow and continue. They want people to know that it does not matter how custom or not your van is but it is all about the love of the vans period.

## FVC Vice President

Wow, It is hard to believe the year is almost over. Personally this has been a very rough year for myself and my family but we have survived it all. Vanning wise it has been a great year full of wonderful people as always. I have learned so much about what goes on behind the scenes and am still learning (which I am loving every minute of it).

As I write this we have two big events still to come and I thank everyone for supporting the FVC. I wish I could join you all in the Keys but have a little extra fun for me. I will see you all for the Election of Officers / Pig Roast event at Zephyrhills.

Leslie

## FVC Treasurer

Hi All!

Well the year is winding down and autumn is in the air. The Keys are fast approaching and next thing you know it, it's going to be Christmas. Where has the year gone? I would like to thank Jr and Glenda for the fine weekend at their place. I just wish I wasn't sick that weekend; it would have been a lot more fun for me. We had the usual great food and videos by Chet. We got to see The Little Red Wrecker for the last time before it went to California. Next year we have to find somewhere else to go on Labor Day. Jr and Glenda have a wedding to go to, so let's start thinking now! Leslie got to run the meeting after Richie had a senior moment (forgot about the meeting). Does that make him the holder of the record for the longest time waiting on an officer to start a meeting?

The next meeting is Nov. 14 at the car show. We will get together at the Keys and hash out the plans on holding the meeting and the pig roast. This will be my first time to this show. We will try and see how this works. So bring a covered dish (with something in it). I need to get a head count on who is coming ahead of time. I would like to have most of the meat cooked ahead of time and just reheat it. So if you are not going to the keys email me that you (how many) are coming. Send it to my email [morr465@bellsouth.net](mailto:morr465@bellsouth.net) home/ [linard@kcenginepro.com](mailto:linard@kcenginepro.com) work. The work email is the best one to send it too.

On the home front news, we have a new puppy named Cooper. He is a Redbone Mississippi Coon hound mutt. He was 12 weeks old when we got him and I have the scars to prove it. The joys of puppy and potty training. Sofia will have a new boyfriend to play with!

Hope to see you in the Keys. Drive safe and see you soon.

Linard

Hey FVC!

There was a lot of fun to be had at GSVRX. Folks from SOVC in Ohio and Midwest Vans came down for their first SEVC experience. What a great time! The weather was picture perfect Thursday, rained

Friday and turned pretty darned cold Saturday night. We awoke to frost on Sunday and packed while the heavy fog burned off. The van show was a blast, potluck on Friday night and catered chicken dinner Saturday night. Sorry I have no pics to post.

After the Keys, we are looking forward to the Pig Roast at Hillsborough in November. Don't forget election of officers and your covered dish. I am very happy to hear we will be going back to Chester's for the pre-New Year's Eve bash in the woods. Another great occasion to have a bonfire and lots of pot luck! Van safe and bring some friends to an eVANT!
