## FVC President

What a great time was had by all that braved the Florida heat at the Nats. Thank you to everyone that helped out. It was truly an amazing experience for my family and myself, being our first nationals. We did gain a couple of new members and a few more that are interested. We also have a few that are returning to the FVC .

We have a couple more events here in Florida this year. Please come out and continue to show your support. Labor day at Clark is always a good time. They have informed me that the ice cream social is still on Saturday night and the pool is ready to help keep us cool. If you have not done so, please get those pre-entries for the Keys in.

I will see you all soon !

Leslie

---

Vanners,

Awesome time at the 2016 Florida Van Nationals ! Truly a team effort by the Florida/ SE/ world Vanners. Some pretty stylin campsites and those Vanners from up north came very prepared from what I saw! Who can believe we only had one rain shower the whole week?! Just Awesome, well done all to all! Thank You Lew and Agnes for your dedication to vanning to make this happen!

Keys Evant is just around the corner, make your plans now, if you haven't been, make it a must do!

Gnarly

## FVC Vice President

Dear FVC!

Wow, where has the time gone? Relieved the Nats are behind us. I am super pleased with the turn out and the end result. Everybody had an extraordinary time. We rock and pulled off the nearly impossible. I am so proud of how smoothly everything went. First and

last!

Looking forward to Labor Day weekend at Clark's. I hope to see everyone there. Don't forget your filled covered dish for Pot Luck on Saturday night. There is not a meat planned so feel free to include in your covered offering.

I will be making the trip to Cherokee Sept 30th. It is such a good time with SEVC. I hope you will make the trek in the near future. I promise you will be hooked.

We have the Keys trip after that. The fun just keeps on coming. Hopefully there will be great stories to tell and maybe a break from the 'wee ones'.

We will be rounding out the year with the Carlisle in November.

What a great turn out we had last year for that! I can promise a big time at Chester's for New Year weekend, as well. That will also be Pot Luck on Saturday night. Bring your old Christmas trees for the bonfires. I have a pot of soup for Friday night. I could keep on going with next year's schedule, but you get it!

There is no such thing as too much fun. I will be there to prove it. I hope each of you can find it in your budget to make the eVANTs especially when meetings are scheduled. We need the new ideas and input to keep it 'your Van Council'. I understand there are a lot of things in our personal lives that prevent us from making every event. We still hold our friends and family near to our hearts and we will muddle through.

Hearts to you all.

Cari

VP and Social Diva.

## FVC Treasurer

Well, have you recuperated from National's? It was a long hot week in Lakeland. It was not as wet as I expected which was a good thing. We had close to three hundred vans. I would like to thank all the vanners from out of state for coming to sunny Florida. I didn't think we would ever have a Nat's here but now we can say we did and you helped!

For some of you this was probably your first National's. I hope you enjoyed it and plan on going to another one soon. I remember when we had this many vans at a regular truck-in, but then I remember playing pong on the TV also. It was good to see old friends (Chip and Dale) from Georgia in their Starship Enterprise (rental) make the trip. It's time for them to get a van again since they are grandparents?? Even Chet got the "Jersey Devil" to a National's again! This was the first Nat's that I only spend \$100.00 on gas. The campground looked like a Good Sam club with all the golf carts going around, but I'm glad I rented one. That might be a must for every Nationals now. You need something to carry your cooler!

I would like to thank everybody that helped at the front gate and brought things to decorate it. Mark for supplying the water to keep our thirst at bay. All the Sunshine Vanners chair persons and helpers. Lew for being chairman and making this a great eVant. Now he can enjoy retirement again. The only problems we had were our deluxe bathrooms with no air conditioning and one rain storm. Note to self, tie the tarp to van next time. The bands were great. Fridays band was really good (great job Lew). We did a little karaoke on Wednesday night and Music Man kept us entertained all weekend on the radio. Even in the rain storm with such classics as "singing in the rain" and "Riders on the storm". We had the mosquito control trucks come twice during the week. How many Nationals can say that?

Friday night after the band we took a ride around the campground and in the middle of the road I spotted a wallet.

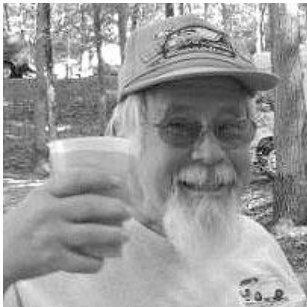

So we went on a mission to find the owner. After waking up the wrong Paul at 1:00 AM , we finally found out the Paul we were looking for! Thanks to Glenda. So we went to his van and tried to wake him up. When he didn't wake up we realize he was not in there. So, off we went calling for Paul. Then we saw Eddie with six people on his four seater golf cart, and yelled for Paul and there he was. Mission accomplished!!

Sunday was time to pack up as quickly as possible before the rain came. That four hour drive home was the longest but shortest Nationals I have ever done. I am sure glad I took Monday off!

The keys are coming up next so lets get your pre-reg in. I have to send in the list on October 1. Lets not wait till the last day to get it in! We have 20 sites reserved so don't get left out. Be safe and see you soon.

Linard

The Vanrama in Carlisle, PA was a huge success this past w/e Aug 5-7 with record attendance.

Update for Vanarama South at Fall Autofest on Nov 10-13, 2016 : Event Manager for FL was in attendance at PA venue. Good news is that another camping area across from the Van Show area is being completed. Checking on a daily camping rate for Vanners only wanting to camp for one or two nights.

We already have confirmed a 20 X 20 tent will be on Our Van Show area, reserving the space for Us !

Show fee is \$35 for Thursday Thru Sunday, any or all days.

OOOOOOP! Hello to our friends and fellow Vanners. What a great time we had at the Van Nationals and would like to thank everyone for making it such a memorable and enjoyable time. Like you know we are still working on the videos and have also been working on the movie. That has kept us busy most of the time. Right after we got home we had to head up to Providence Rhode Island to work on the movie. We are happy to say that not only is my character in the movie but Jo and I are both in the movie as well along with Jack Black, Jason Schwartzman and Willie Garson. We have lots of pictures with all of them but cannot post them as we are still under contract until the movie comes out after the first of the year. They have used many of my videos to help in the production of this great movie and still needing a few videos from my archives to help in the production. Like most of you saw on Facebook after 4 months I finally finished the 1921 Rolls-Royce Silver Ghost that was featured in the HBO Movie Boardwalk Empire with Steve Bishemi and Jo finally got it up on MyCarOnVideo.com

Out of the 13 Vans I filmed at the Nats, six of them are up and posted on MyVanOnVideo.com.

I am still working on the entire week of the van nationals video. Not an easy task like most of you know after filming around 3 1/2 hours worth of video.

I hope to have it up and finished by the time you're reading this. Other than that all is well and again it was a pleasure seeing everyone. Like I always say it's just like a big family reunion. Hope to see everyone Labor Day.

Johnny Lightning (OOP) & Jo.

## Sunshine Vanners Hosted the 2016 Van Nataionals

We want to thank all our friends who helped out at NATS especially our out of state friends. Because of you, we had a successful eVANt. The goody bag was stuffed and prizes were plentiful for the carnival. I hope everyone enjoyed the activities while helping to provide for homeless families. Thanks to all who helped get info and ads for the bible. And a big hug to Randy for putting up with us all, you did a great job. The van show in the shade was really nice. Thanks to all the vanners who showed their vans. Security tried to keep the shuttles working as much as possible and kept things secure. Thank you to those vanners who offered rides in their own golf carts. Musicman did a wonderful job as sound man and WVAN announcer. Hope everyone had a chance to eat at the vendors. They did their best to bring us a variety of foods. Front gate was a happening place to be, keeping the traffic moving efficiently. Linh and team kept the kids busy with a lot of games and activities to do. I saw kids still playing at the kids pool into the evening hours. Hope you enjoyed the adult games! Kathy tried to provide us with a variety. The bands had a great time. House Rockers kicked our night off. Cross Trax played a variety to please any vanner. Three Sided Story didn't want to stop! They surprised everyone with "Alice in Chains". Joe's, Vanners circle band, entertained us as we cruised around vendors circle. Cari and the headquarters staff kept us all on track. While Spookeytooth and crew kept our coolers full of ice. There were a lot of vanners who went to the drive-in theatre and got to share an activity from the past. Thank you to Deb who worked overtime to provide day tours, and sponsors for our sport. I thought my job was busy but thank goodness I wasn't the treasurer. John is still busy gathering info and paying bills, while we are taking a rest travel in all over the west. Hope everyone who attended had as much fun as is possible. The Sunshine Vanners (Who are a collection of Vanners from all over the US and Canada) are proud to have been given the opportunity to bring you the 44th Van Nationals.

Lew & Agnes

Hi all,

Wow what a great time was had by all at the Nationals. I've not heard anything but good things. Only complaint was the humidity but then they all expected that.

Comments I have gotten: Hey you promised us rain everyday but we only got it once. Carnival was lots of fun. Great location, lots of power and water and shade. Great food at the vendors, really appreciated all the free water that was everywhere. Great shower, trophies, games and goodie bags. Great seeing everyone work together all week. Small but lots of fun.

I myself had a great time, Yes, it was lots of work but the best part was everyone pitched in and helped where ever they could. The eVANT was small but we delivered all that we said we would and more. I could not be prouder of all of us. I think we will get more Florida Vanners at future Nationals® now that they have met more vanners and see how much fun it really is.

I'm in Canada this week. Next week I'm back in OH. I'll be going to Nightmare vanners event next week at the site of next years Nationals®. We are working hard to be sure you have a great time next year at the 45th Nationals®.

See you all at the Keys
