July 31, 2016 - Next Newsletter deadline – July 31, 2016

Next Meeting: Clark Family Campground - September 3 , 2016

COVER: Van Nationals in Florida – Be there!

FLORIDA VAN COUNCIL

Minutes of the March 5, 2016 meeting at Sidewinder's house in White Springs are as follows:

Leslie called the meeting to order.

Minutes of the January 16, 2016 meeting were read and approved.

There were 7 clubs present and two Excused Absences (out of 14 clubs total) during roll call.

TREASURER'S REPORT:

Linard gave the Treasurer's report.

MEETING DATES:

2016	
March 5	Tom's house in White Springs.
June 4	Sun 'n Fun in Lakeland
September 3	Clark Family Campground near Orange City
November 12	Fall Auto Fest at Sun 'n Fun in Lakeland. Election of Officers for 2017

OLD BUSINESS:

Drive-in Movie Night at the 44th National Truck-in® (NATS). It was noted that there is an entrance that will allow vehicles over 12 feet to enter the theater so there is no vehicle height restriction. Ma said we need to make up a sheet with directions to the theater, etc. made up and have it available at the event. Lew added that you won't be able to go to the Drive-in Movie Night if you have a scheduled assignment at the NATS during that time on Tuesday night.

NEW BUSINESS:

There was no new business.

VAN-IN PROPOSALS:

Florida Van Council Labor Day weekend - 2016 - Clark Family Campground - We will pre-reg 20 sites only. We need to mention on the flier that the campground serves a great breakfast at a reasonable price. The FVC meeting will be held on Saturday, September 3, 2016.

Florida Van Council January 13 - 15, 2017 - River Forest - Annual Pig Roast. Linard asked if we want to have the event at River Forest because he has to book the place. The group said "Yes." Linard said we need to pre-reg so we know how much food we'll need for the Pig Roast. FVC meeting will be held at this event on Saturday, January 14.

VAN-IN UPDATES:

ForePlay May 6 - 8, 2016 – Beach Blast 2016 - Beverly Beach Camptown, Flagler Beach, FL - Everything is on schedule.

Florida Van Council June 3 - 4, 2016 – Sun 'n Fun, Lakeland, FL at the Lakeland - Linder airport. This event will have the FVC and Sunshine Vanners meeting on Saturday, June 4. This will be the last Sunshine Vanners planning meeting for the 44th National Truck-In®. They need to "dry run" everything so they'll have all the kinks worked out before the front gate opens around 11 AM on Monday, July 4. They'll need to be sure we have everything ready for the NATS. If you plan to use water or electric at this meeting, it will cost \$25 per night. Drive in to the main gate on Medulla Road and pay at the Museum, on the left side of the road. If you aren't using any water or electric (just coming for the meetings) it's free. Just use the Rocky Road gate.

GSVR XII September 30 - October 2, 2016 – Flaming Arrow Campground, just south of Cherokee, NC. Hosted by the Southeast Van Council (SEVC). Jim Bulger, SEVC Vice-President, noted that you can call Joani, the campground owner, starting in January to make your campsite reservation for the eVant. Will have moonshine tasting and the same band as last year. Fliers are available at www.southeastvancouncil.com and www.floridavancouncil.com

Florida Van Council October 28 - 30, 2016 – Voodoo Vanners - Sunshine Key Camping Resort - Florida Keys, U.S. Highway 1 at Mile Marker 39. Just South of the South end of the 7-mile bridge at the southern end of Marathon Key. Must pre-reg by October 1, 2016 to get the Vanner's Rate, which is \$90 for van with 2 persons, \$15 per extra person. \$120 for Van with Sleep-in Trailer or Motor Home. Extra Days available at the Vanner's Rate (slightly less than \$45 per night) for 3 days prior and 3 days after the event. There is a 10 PM curfew and pets must be on a lease. This will be enforced. Contact the CAMPGROUND DIRECTLY if you want extra days prior to, or after the event. Do NOT look on line and call any 800 numbers. Call (305) - 872-2217. Flier will be available at www.floridavancouncil.com

Carlisle Events November 10 - 13, 2016 – Sun 'n Fun, Lakeland, FL at the Lakeland - Linder airport. This event will have the FVC meeting on Saturday, November 12 around 3:30 or 4:00 PM. We don't want to have to compete with all the noise at noon like the last time we were there in November. They need a 3-night guarantee, which will cost each van about \$120 total for the event.

OPEN DISCUSSION:

Lew noted that Chet didn't get sick with the Norovirus, like everyone else did, at the Council of Councils (CofC) meeting in Dallas because he slept in his car and not in the hotel room.

It was noted that room rates for the 2017 CofC Meeting (hosted by Neon Vanners) in Las Vegas will be \$112 per night. That might sound a little high, but that is the TOTAL price; no extra taxes, etc.

Judith said the NATS Board has a database of Vanner names and addresses that they will share if you have a reciprocal vanner database to share with them.

Ma and Dave noted that they have enjoyed their marathon tour of vanning events all around the country to celebrate Dave's retirement. However, they do have to head back home, and will be leavings us at the end of the month.

Sidewinder noted that he really appreciated the groups efforts to watch their language while at his house.

Cari made a motion to adjourn and the meeting was concluded.

Respectfully submitted,

Scribe John, Secretary

FVC President

I wanted to start off by offering a huge thank you to Foreplay for a wonderful event. A great time was had by all. You all deserve a rest after that party lol.

Thank you to all that stopped by my son Louis's new van Saturday and gave him kind words of encouragement. He is so proud of Serenity and I love seeing that we have in fact raised a future vanner.

We are in the last stretch here in Florida to get things done for the Nationals. Sunshine Vanners needs all of us to step up and help. Let's show our support and the rest of the vanning community what Florida is capable of.

I look forward to seeing you all again soon.

Leslie Stanziani

FVC Vice President

Dear FVC. What a blast at Beverly Beach. The weather was almost perfect! The wind was chilly in the shade but beats the monsoons of years past. Thank you Foreplay for a wonderful eVANT! We now are on the count down for July 4th Nats! I hope everyone has a great time but remember we are the host club and you will all be expected to pitch in where ever there's a need. This will be Florida's one and only NATs so let's make it memorable for all the right reasons. We can all get this done together. I am proud of the enthusiasm of most of you. We'll have ourselves a little party after we recover and the dust settles. Thank you to every one for your amazing efforts. Remember, we only party with the best. Peace, love and drive a van. Cari

CariVan.

FVC Treasurer

Tic Toc time is running out before National's in Florida. You got your vacation time in? We need your help to pull this off and make it one of the best ever in Florida. If you haven't been to a nat's, this will be the closest that it

will ever be. So get your tacky outfit together and come to the meeting June 4. If you are new to vanning don't be shy and come and meet new friends. We need door prizes and goodie bag stuff. Also we are making the front gate a beach - Florida style theme. So if you have anything, bring it. Preferably to nationals, I will have enough stuff I am bringing. See you there.

Broward would like to thank everyone who attended our event in March. It was a nice cool weekend with no rain for once. We had the usual good food, a big fire (sorry you missed it Randy). Fireworks (I think you know what I mean) and clear sky's, Joe Van got Rusty Wayne's truck going and we had the four wheelers going. Thanks again for coming.

Beverly Beach was a beautiful weekend for once. Nice cool breeze's the ocean was flat calm. Music on Friday night and karaoke on Saturday. The parking was a little tight but we don't need a lot of room to have a good time. Thanks Fore Play for the good time once again. Poor Cooper's nose got burnt from the weekend and the chocolate chip cookies were good. I' am looking forward to next year if they will have us.

We are still doing the Keys truck-in so get your pre-reg in as soon as you can. I know the nationals is taking a lot of energy and money. We still got three months after nats. Look at it this way we are saving on gas this year! So stay save and see you soon.

Linard

Vanners,

What an exciting year it is!

Nationals are around the corner, yes its only weeks away and it is for the 1st time around the corner from where we live... yes it may still be a 4 hr drive, but it beats a 4 day drive like most years...so its around the corner in time and distance...so say we all.

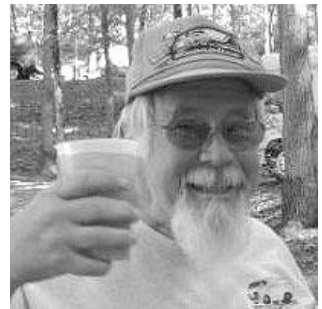

On behalf of Fore Play Vanners ... Thank you for your understanding and patience at Beverly Beach! Next year will be different... either we get it all or we will be in a different campground and face much different challenges. I have missed some activities this year, & I would like to thank those of you posting on Facebook, and sending me items via email for the Newsletter. With your help I can keep filling up our newsletter with new content. Luke & Leslie, your family may keep vanning strong all by yourselves. Congratulations Louis on your van!

Vanarama South and Carlisle Fall Autofest update. November 10-13 at Sun n Fun in Lakeland, FL

Their website will be updated so that We can register as Vanarama under 'Club' to get credit for attendance numbers ! The Show fee will be \$35 for any or all days of Thursday thru Sunday.

We will be on the regular Showfield this year, with a 20 X 20 tent to mark our spot ! This will be a central area to advertise Councils and Club eVANTS.

Still working on the camping fees. Sun n Fun is in charge of the camping, currently requiring a 3 night minimum. Carlisle Event Manager will try to negotiate a nightly fee. There are supposed to be more hook-ups that We can check into at the June Sunshine Meeting on the grounds.

Featured van

Serenity is a 1985 Chevy G-20 powered by a small block Chevy 305 and a Turbo 400 auto trans. She rolls on Bridgestone tires mounted on 15 inch old school Cragar SS wheels. Serenity has a custom built interior designed for camping. Some of the features include multiple 110 outlets , lots of cabinets for storage, a microwave, mini fridge, 2 burner gas stove, and a sink with a fresh water holding tank mounted under the van . She has a moon roof in the front and a roof vent in the rear over the bed.

She was recently presented to her future owner Louis. He may only be 13 but has already installed a windshield visor and is saving up now for custom tail light covers and rear louvers. He has big plans for Serenity over the next couple of years, even before he can legally drive her.
