# **FLORIDA VAN COUNCIL**

Minutes of the January 14, 2017 meeting at River Forest Group Camping area near Deland are as follows:

SpookyTooth called the meeting to order. He noted that, if you want to contact him, call his cell phone number, send an e-mail, or use snail mail. He isn't on social media and has no intention of getting on social media.

Minutes of the November 12, 2016 meeting were read and approved with 2 corrections. Price for Hi-Way Vanners event in April was listed as \$5 per van for the weekend. It should have been listed as \$60 per van for the weekend. The commemorative license plates for Carlisle Vanarama were created by Ed Beard, Jr. The wording didn't specifically say that Carlisle created the plates, but the wording implied that they did.

There were 10 clubs present and NO Excused Absences (out of 14 active clubs total) during roll call.

## **TREASURER'S REPORT:**

Leslie gave the Treasurer's report.

## **NEWSLETTER REPORT:**

Gnarly gave the newsletter report and noted that deadline for inputs to the next issue of the Newsletter is mid-February. That way, he will be able to include reports from the 2017 Council of Councils (CofC) meeting. He noted that you should send him an e-mail if you no longer want to receive paper inputs of the newsletter. He will send you the digital copy only and that will save on printing and mailing costs. As usual be sure to send all inputs and newsletter requests to: [news@floridavancouncil.com](mailto:news@floridavancouncil.com) because that is the official e-mail address for the FVC Newsletter.

## **MEETING DATES for remainder of 2017:**

March 4	FVC meeting in conjunction with Broward's Laid Back Week-end at Sidewinder's in White Springs
June 17	FVC meeting in conjunction with Coastal event at Clark Family Campground in Orange City
Labor Day Weekend	TBA
November 11	FVC meeting in conjunction with Carlisle Auto Show at Sun 'n Fun - Lakeland

## **OLD BUSINESS:**

Lew noted that you must put "Show February" when you register for the Carlisle Auto Show in February in order to get the 20% discount.

## **NEW BUSINESS:**

Lew noted that the first annual Christmas Party and Fund Raiser to benefit the Museum of Vanning was a big success. The second annual event is planned for the second weekend in December 2017.

Leslie noted that Bigfoot Paul has advanced cancer and is not expected to last long. She has the address if you wish to send cards, etc.

Joe Van noted that there seems to be a misconception about the Halloween Party he has been having at his place for the past few years. It is NOT a van event. It is a party at his house for those who either can't afford to attend the Keys eVant or can't schedule the time off from work.

There seems to be a misconception on social media because some vanners have referred to it as a "Keys Party North", implying that this party is competing with the event at Sunshine Key put on by the FVC. This is NOT the case. Joe attended the FVC event for well over a dozen years and, if he could still make that event, he would, but circumstances currently prevent that from happening. So, he and his friends have a Halloween party at his place. Vanners are also welcome if they want to come.

Joe said that he has seen no proof that any vanner who could attend the FVC event picked his party instead, which would be undercutting the FVC event.

Gnarly and Cari noted that the folks using social media should quit referring to Joe & Celia's Halloween party as "Keys Party North" as that is misleading and inaccurate. That prompted SpookyTooth to say "That's why I don't do any of that social media stuff!"

## **VAN-IN PROPOSALS:**

Florida Van Council      October 27 - 29, 2017 - A motion by Lew Skoko (seconded by Cari) that the FVC sponsor the annual Halloween event at Sunshine Key and that it be an FVC-sanctioned event was carried by a unanimous hand vote. SpookyTooth noted that Brenda (from the campground) told him that there was an RV group that wanted our usual dates and spots, but she would hold the spots for us if we wanted that. Scribe John reminded the group that FVC-sanctioned means that, if we have a van show, it must be done according to the FVC van judging rules. Also, the FVC officers get in free at all FVC-sanctioned events. That provision in the by-laws never got changed, but it has pretty much been ignored by all the FVC officers for the last 10 or 15 years.

Museum of Vanning      December 8 - 10, 2017 - 2nd annual Christmas Party and Fund Raiser to benefit the Museum of Vanning, 12101 Chuck Circle, Hudson, FL 34669. Museum Tours, Dash Plaques, Bonfire, Games, Food, Drinks and Tiki Bar. Bonnie or Joe, Surferjo2@aol.com 727-863-7033.

## **VAN-IN UPDATES:**

**Broward** March 3 - 5, 2017 – Broward's Laid Back Week-end - Tom's house in White Springs. Primitive eVANT - Old time no frills get together. Bring a covered dish, they will supply the meat. Evening campfire gathering. \$15 per van pre-reg or at the gate. Just let them know you are coming so they know how much meat to get. Flier is available at [www.floridavancouncil.com](http://www.floridavancouncil.com)

**Hi-Way Vanners** April 7 - 9, 2017 - Together 2017 - 8888 Gobbler Drive, Floral City FL, north of Tampa. Hot Dogs and Hamburgers on Friday night. Family style BBQ chicken dinner on Saturday night. It is at a Summer Camp for Kids Location. \$60 pre-reg by March 8, 2017. After March 8 entry is \$75. Children \$10. Additional person \$15. Checks payable to Robert Killion, 6328 Candlewood Drive, Wesley Chapel, FL 33544.

Dash plaque, goodie bag and Hot Wheels races. May have a van show. Bring your mountain bike. There is a lake, fishing dock, canoes, showers and some running water. Bring your own fishing pole(s). There is a big kitchen. We are leasing the whole campground from the owner so we can run our generators, have one big community bonfire, imbibe our alcohol and have games. Free bunkhouse cabins for kids available. Deb wants this event to bring a better sense of community to our vanning family

**ForePlay** May 5 - 7, 2017 – Beverly Beach Campground - Cale noted that he is still trying to get in touch with the campground at least once a week. They are not returning his calls. So, it is not looking good for an event in May at this campground. The club may try to get an event going this year, but, most likely it will be next year.

**Coastal** June 16 - 18, 2017 - Clark Family Campground, 1440 E. Minnesota Ave., Orange City, FL 32736 - Dash plaques, music and more. \$65 per van - \$10 for additional campers - \$15 for sleep-in trailers. Checks made payable to James Moffitt c/o Russ Stumpf, 683 Center St., Ormond Beach, FL 32174.

**45th NATS** July 12 - 16, 2017 – 45th National Truck-In® - Mansfield, Ohio - [www.vannationals.com](http://www.vannationals.com) - \$50 pre-reg, \$65 at the gate. Veterans (with proof of service) and active military \$30 pre-reg; \$45 at the gate. Van Show will be on Saturday. You can arrive early and park on Monday, July 10 for \$10 per day per

van and \$10 per day per trailer, but there is no power, just a place to park until the gate opens on Wednesday. There will be a safety seminar and blood drive. Judith will take pre-registrations today. Twelve vanners raised their hands when asked how many were attending. Dennis Conko asked "Can we please park together?"

**GSVR XIII**      September 29 - October 1, 2017 - GSVR XIII - Hosted by the Southeast Van Council (SEVC) – Flaming Arrow Campground, just south of Cherokee, NC - 283 Flaming Arrow Drive, Whittier, NC 28789 - (877) 497-6161 toll-free. Friday night Hot Wheel Races. Show & shine, 50/50, raffle, games, moonshine contest; bring your best for tasting table, awards ceremony and Live Entertainment by Moonshine Creek on Saturday night! All in the heart of the Great Smoky Mountains... This Year's Theme is Medieval Times! Reservations by 9/1/2017 - tent site with electricity \$25 per night - RV site full \$35 per night. Reservations after 9/1/2017 - tent site with electricity \$30 per night - RV site full \$40 per night - All prices per day are for 2 adults per site. Each extra adult is \$5 per day - Stay tuned for w/e schedule updates in April after Our Spring Meeting. Check SoutheastVanCouncil.com or Southeastvancouncil on Facebook. Flier is available on [www.floridavancouncil.com](http://www.floridavancouncil.com) .

**Carlisle Events**      November 9 - 12, 2017 – Sun 'n Fun, Lakeland, FL at the Lakeland - Linder regional airport. This event will have the FVC meeting on Saturday, November 11 around 3:30 or 4:00 PM. Probably be the same as in 2016, but final details won't be available until next year.

SpookyTooth noted that the \$5 difference between pre-reg price and gate price was a lot when the entry was \$30. But nowadays there is very little difference between pre-reg and gate price. We need to encourage pre-reg as that really helps the host club or council. He was glad to see that there is a \$15 difference between pre-reg and gate entry at Hi-Way Vanners event. Lew suggested that it might be a good idea to have 2 different lines for food. Pre-reg gets in the food line first.

Mark noted that not everyone in Florida is retired. If you pre-reg and then can't go because of work, that money is just gone. Gnarly noted that he still works for a living and if he can't go because of work, that's just his support for the event. Judith commented "Bottom line is, if you can pre-reg; DO IT!"

#### **2017 FVC MEETING SCHEDULE:**

All the meeting dates and locations for 2017 are worked out, except for Labor Day. Saturday, September 2, 2017 is the normal meeting day.

Gnarly suggested that ForePlay might be able to host an event for the Labor Day weekend. There are some campgrounds in Cedar Key, some nearby here, and some property near Konehead. They will be looking for a location.

**CofC MEETING REPS:**

The 2 vanners representing the Florida Van Council at the 2017 Council of Councils meeting in Las Vegas are:

SpookyTooth  
Lew Skoko

**OPEN DISCUSSION:**

Judith noted that all the money made (\$430) at the Carnival Games at the 44th National Truck-In<sup>®</sup> was donated to the HEARTH Project. HEARTH stands for "Homeless Education Advocates Restoring The Hope". It is a project of the Polk County School System that has identified over 2100 of their students in a homeless situation so far this school year. They have been able to help a student with an orthodontic expense, provide many shoe vouchers and help homeless kids with other expenses. Judith said, "If you played the games, then you supported this event and helped some homeless students."

Judith suggested, at the last meeting, that the FVC consider making a bid to host the 2019 Council of Councils meeting. All the members attending this meeting rejected that and proposed, instead, that we consider making a bid to host the 2020 Council of Councils meeting. Cari noted that we should have no problem using Cocoa Beach again, but we still have the problem of transportation from Orlando International Airport to Cocoa Beach for those who fly in to the event. There's just no good way to fly directly in to Cocoa Beach.

Jim Bulger had a few of the nice Carlisle Vanarama commemorative license plates created by Ed Beard, Jr. that you can get from him today for \$15. You can order them from Carlisle's website, but you'll have to pay the same \$15, plus shipping.

Chappy Chapman noted that "2017 VAN EVENTS + More" is a Facebook Group that shows events in 2017 for motorcycles, cars and vans, etc. <https://www.facebook.com/groups/1724140731138670/> You can contact him at [wildpanel@gmail.com](mailto:wildpanel@gmail.com) if you need further info.

Lew made a motion to adjourn and the meeting was concluded.

Respectfully submitted,

Scribe John, Secretary

## FVC President

Time really does go fast, our next meeting at Sidewinders will be in March. 2017 started with a great time at the Chester Ranch. This was our first time there, only because we're not fond of driving long distance on New Year's, but it turned out great. Then on to my first meeting as President at River Forest. Another great weather and food event. I hope this is a trend with good weather at all of our events. The food is always excellent, and a big shout-out to Joe Van for cooking the pork for us.

The Council of Councils was very interesting, as a lot of good ideas were discussed. Next year, the CofC will be back in New Orleans again, and at the same hotel. So if you missed it in 2014, now is your chance to make plans to attend. Also, Norway asked if there is interest in them putting on a CofC in 2019 and there was a lot of interest in that. So, they will make a proposal next year. Hopefully by our March 4<sup>th</sup> meeting, we will have a place for the Labor Day meeting.

One last note, I found out that the "Mustang Ranch" in Vegas is not a car museum – go figure!  
Take care, safe journeys

Spooky Tooth

Hi my name is John. I wanted to reach out to you guys to let you know we have a cool new van club going here in Orlando. ## **FVC Vice President**

Hello FVC. With a joyful heart, I have set my retirement date and submitted my application. This may disrupt my next 3-4 months travel plans but looking forward to more time on the road once the dust settles. I think 40 years of government service is more than sufficient. I am excited about this year's Van event schedule so far. Broward's eVant in March is a must do, always. A huge thanks to Hiway Vanners for stepping up their game in April. I'm looking forward to a new adventure. Coastal Vans at Clark's will be a nice break in June, as well. Might have to go goat tipping. :D Let's get excited about Foreplay's Labor Day surprise. New venues are what this is all about. I hope many of you will be able to make it for our annual Keys trip. It is understood if your work schedule does not cooperate. I am looking to buy and build a new van before I retire. I have driven the new Ford E250 but that is an ugly van. Sigh. I will keep looking. My 2006 will be For Sale by the end of the year. Stay safe. Be nice to one another.

Cari, of the silly hats ministry.

## **FVC Treasurer**

Hello all. I hope this year is starting out well for everyone. I am getting into the swing of this treasury thing.

We had a nice turnout at Vanners In the Forest. The weather was beautiful and as always we ate very well. Thank you to Joe Van for cooking the meat again. Thank you Randy for keeping the fire going all weekend .

We had nice 50th birthday party for Joe Van on Saturday evening.

Please remember that it is time to get your dues in if you have not already done so.

I look forward to seeing you all at Sidewinders. It is a nice event for those that have never attended. It is very laid back and a fun time.

Leslie

Hi from the peanut gallery,

I would like to think everybody that pre registered for Broward's Laid back weekend. If everybody shows we should have a big crowd.

If you hadn't yet, just let me know please!!! I will be buying food the week before and would like to have enough. If you have been to Sidewinders, you know the store is not around the corner. So drop me an email [morr465@bellsouth.net](mailto:morr465@bellsouth.net) and let me know. Friday night we will do soup, so feel free to bring some. I know Sidewinder will do his chili. So we hope to see you there.

Vanners in the Forest turned out to be a nice weekend. It would have been nicer if it was a little cooler. I think that was one of the warmest we have ever had. The food was good as usual, Joe Van did a great job on the meat. We had lots of soup choices on Friday night and games on Saturday.

So hope to see you soon, enjoy life to the fullest and drive save.

Linard

Hello Vanners!

I'll be missing you at the Sidewinder event, one of my favorites! For those that may not know, I will be sailing a kayak 300 miles in an adventure race if my gear holds up!

More fun stuff after that tho from Hi Way vanners and Coastal to the Nationals in Ohio! We look forward to seeing you on the road!

Biggest issue I've done this time,  
Thank You ALL for your contributions – Lets have fun Vanning!

Gnarly  
FVC Newsletter Editor  
[news@floridavancouncil.com](mailto:news@floridavancouncil.com)

Hi fellow vanners,

So far we have had a busy winter. New Years at the Chester Ranch, Vanners in the Forest, Council of Councils and 2 more events coming up before our fellow vanners in the north even think about getting their vans out.

I had a great time at the Forest. Thank you all who can for the great food and fun. We had a wonderful fire every night even though it was probably the warmest it has ever been and we really didn't need the fire. It was nice to see so many people came out to play.

Next was Council of Council in Las Vegas. I for one had a great time. 11 other vanners went hiking with me in Brice Canyon, Kodachrome Basin, Antelope Canyon, Lake Meade and Zion National parks. Coop made me a walking stick with a skull on the top since I was leading the death march. We had snow up to our waists at times and a few places we wanted to go had too much ice to take the trails but all in all it was great. Thanks goes to Tim and Diane from MI, Nikki, Coop, Smitty, Brenda and Nancy from Ohio, and Geoff and Sonya and Ken and Mary Frances from Canada. We arrived back in Vegas on Wednesday evening and there was lots of things going on. A band and van show at Counting cars, tours, lots of Gambling, bands D J and a van show on Saturday, A fire safety expert can to demonstrate fire extinguisher use and of course the meetings. I think everyone had a great time. Kudos to all the people who pulled together to make this meeting a great success. We all know when Cindy Lou and Michelle get a group together the event will be something to look forward to.

Next up is the Meeting and Broward event at Toms and then over to then Together in 2017 by Highway vanners. I'm looking forward to seeing you all at these events

Judith

## Vanning with the Skokoberries

President Spookeytooth and the Skokoberries go to Vegas.

The Council of Councils was not only a good time but also productive for Sunshine Vanners. Although, we are not much for gambling, Lew did loose \$30 in raffles. We did enjoy visiting some of the local sites. First day and almost all dinners would find us at the In and Out Burger. They really did make a good burger and fresh cut never frozen fries.

The Hoover Dam was impressive, especially when you see all they accomplished in the 1930s. How they ingeniously solved some of the problems. We enjoyed taking a tour which included the power plant and a tour of inside the Dam.

Also, we visited Fremont St. which had a lot of street vendors and a canopy over the street where they had a light show. Under the canopy was a zip line. The Golden Nugget, a gambling casino, has the two largest gold nuggets ever found. Both were found in Australia.

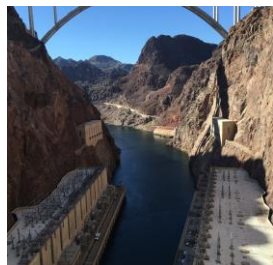

Count Kustoms was another side trip. We saw some of their unique vehicles and a couple of vans they refinished. Wednesday night, vanners were invited to Vamps. Unfortunately, we were suffering from Jet Lag, so we stayed at the hotel and turned in early.

Our illustrious President and Lew represented the FVC. During the meeting Lew gave a report on Nationals and presented Vans on the Run with a check. The Vanners from Norway asked who was interested in having the Council of Councils in Norway. Maybe, we will be going to Norway in 2019. Next, Council of Councils in 2018 will be in New Orleans.

## CofC 2017 Las Vegas

Some FVC members went to the BoVaGon show in Orlando. I was really surprised to get a 3rd place van Trophy. We were treated very kindly considering it was a totally different kind of atmosphere compared to what a vanner is accustomed too.
