# **FLORIDA VAN COUNCIL**

Minutes of the November 11, 2017 meeting at Sun 'n Fun in the Lakeland-Linder Regional Airport are as follows:

SpookyTooth called the meeting to order.

Minutes of the September 2, 2017 meeting were read and approved with 1 correction. Kat and Just Ed were new members, not guests.

There were 7 clubs present and FOUR Excused Absences (out of 12 active clubs total) during roll call.

## **TREASURER'S REPORT:**

There was no Treasurer's report. Leslie couldn't make the meeting.

## **NEWSLETTER REPORT:**

Gnarly gave the newsletter report. He said this is a thick issue, thanks to lots of great input from the members. Deadline for inputs to the next newsletter is December 10, 2017.

## **MEETING DATES for 2018:**

January 20 FVC meeting in conjunction with Vanners in the Forest IV - River Forest Group Camping area near Deland  
March 17 Tom's in White Springs

## **VAN-IN UPDATES:**

Museum of Vanning December 8 - 10, 2017 - No update.

New Years Eve December 29, 2017 to January 1, 2018 - Still on.

Vanners in the Forest IV January 19 - 21, 2018. The only update was that Judith will NOT be screening the FVC logo on anything. She needs to get a new silk screen made.

Tom's in White Springs March 16 - 18, 2018. Soup Friday night. Covered dish on Saturday. The meat will be provided.

Hi-Way Vanners April 6 - 8, 2018 - Together Again - They have gotten pre-reg from NY. Also some of the old Rendezvous vanners plan to show up. They will have a Van Show in the parking lot. The raffle table is looking good, but they will accept more stuff if you have it to spare. All you can eat dinners for 2 nights. \$65 per van (2 people) \$80 at gate. Additional person \$20. Children \$10. Pre-reg deadline March 9, 2018

Fore Play Vanners May 4 - 6, 2018 - Cinco your Lips In the River - Ellie Ray's RV Resort, on the Santa Fe River in Branford. They are continuing the Fore Play tradition of putting on a great event. Gnarly said he didn't have information right now on extra days (coming early, and/or staying later). Many campgrounds won't allow more than 1 van per site. When they say that to you, try and point out to them that they will actually make more money with more vans per site. The owner of Ellie Ray's does expect you to patronize his business (restaurants, bars, etc.). There will be a van show down by the River Bar, which is on the premises. . \$65 pre-reg. for van \$80 for camper. Pre-reg cutoff is April 1, 2018 Buy your groceries before you get there.

Sunshine Key SpookyTooth noted that the campground is in bad shape after the hurricane and may not be ready for next year. Gnarly noted that a number of campgrounds in the Keys are getting money from the Federal Government, which will end when the campground re-opens, so they're not in a big hurry to shut that revenue stream down by re-opening too soon.

### **COUNCIL OF COUNCILS (CofC) 2018:**

SpookyTooth asked how many were going to attend and 7 hands were raised. Lew took this opportunity to note that the FVC officers should always attend the CofC meeting. That's where we represent the FVC to the world. We have councils at that meeting from the UK, New Zealand, Canada, England and Norway. In the recent past there have been times that no FVC officer was attending and Lew has had to fill in. He said that if you can't afford to go to the CofC meeting, you should not run for, or hold, an FVC office.

### **VAN-IN PROPOSALS:**

SpookyTooth noted that he would like to see a proposal for June. Joe Van said that Adventure Vans would be able to help another club who is willing to put on an event in June or Labor Day. Agnes noted that one club could be in charge of setting up the event and get another club to take care of games, etc.

Lew noted that, when checking out a campground, don't go with rumors. Make sure you call the person who is in charge, so you get accurate information.

Judith noted that we need to get back to not having FVC meetings at events. Maybe one or 2 meetings a year at events, but that's it! She gave us some information for a place to have future FVC meetings. It is Pioneer Park in Zolfo Springs in the center of town near the corner of U.S. 17 and S.R. 64. 231 Wilbur C King Blvd, Zolfo Springs, FL 33890 [http://www.hardeecounty.net/site/content/parks/pioneer\\_park.html](http://www.hardeecounty.net/site/content/parks/pioneer_park.html) \$16.05 per night w/out electric, \$21.40 per night w/electric - \$24.61 per night with 50 amp electric service. They have a decent place to have a meeting and camping one night overnight, like we used to do at Boggy Creek.

### **OLD BUSINESS:**

Lew noted that kids shouldn't be out of their campsites after 10 PM. NO EXCEPTIONS.

A motion by Judith (seconded by Lew) that Resolution Number 28 of the "FLORIDA VAN COUNCIL RESOLUTIONS PASSED" be revised to read:

"28. November 11, 2017

There will be a kid's curfew of 10:00 PM at ALL FVC events. Curfew means that the kids are in their campsite, van, or other designated area. Kid is defined as 17 and under."

was carried by a unanimous hand vote.

### **NEW BUSINESS and OPEN DISCUSSION:**

Judith noted, from Article I of the FVC by-laws, that the purpose of the FVC is "... to promote a wholesome interest in vans, ..." But, to make vanning grow, we need to keep it wholesome. That means being sure the kids are in their campsite after 10 PM. They don't need to see adult activities right now. They need to wait until they are old enough to understand.

Also, we're not going to force everyone to sit in a big circle for the duration of an event. There will always be some groups that join us for some of the activities and sit in their own club campsite the rest of the

time. That's OK, that's not going to change. We are a big vanning family, but, just like our biological family, we are not in their face and space all the time.

Judith showed the Traveling Vanners Banner she made for all the deceased vanners in our U.S. vanning family and overseas vanning family. She had promised to do this at the CofC meeting in February. We started with a huge display at the beginning with books and pictures but that was hard to pack in a van. Then we went to the electronic display, but thought that a very portable traveling banner would be the best of both worlds to remember our vanner family members who have passed on. She asked the FVC to make a single patch that listed all of the deceased FVC members (Tony King, Sun God, Toothpick, Betty Mudd, etc.) that she could sew onto the banner. Lew noted that the Sunshine Vanners Fund would cover the cost of making the patch.

Lew made a motion (seconded by Linard) that "An FVC member must be at least 18 years or older." By-law revisions can't be made and voted on in the same meeting, so this motion will come under OLD BUSINESS at the next meeting.

**Secretary's added note:** The logical place to put this revision is in Article IV, Section I, which currently reads:

ARTICLE IV

Section I

Any individual belonging to a van club in the state of Florida may join the council by submitting his annual dues to the FVC treasurer provided such club has three (3) or more members and is chartered by the Florida Van Council. Membership may be transferred from one FVC club to another FVC club.

-----  
BUT, Article IV, Section I makes no provision for independent members, which is inconsistent with Article II, Section II B, shown below.  
-----

Section II

- A. Removed June 14, 2014 and replaced by Resolution #34
- B. All FVC members, both independents and club members, shall have equal rights in all council matters, including voting, and holding of an FVC office. - Revised 6-14-2014

Section III

-----

Technically, as the FVC By-laws currently read, we can't have Jim Bulger, or John Attrill, or any other out-of-state vanners belong to the FVC unless they actually belong to a van club in Florida. We should "fix" Article IV before adding the above proposed revision to the by-laws. My suggestion would be to revise Article IV, Section I at the January 20 meeting to read:

"Any individual belonging to a van club in the state of Florida, or any interested vanner from Florida or elsewhere may join the council by submitting his annual dues to the FVC treasurer. FVC member must be at least 18 years or older. Membership may be transferred from one FVC club to another FVC club, or from FVC club member status to Independent status, or, from Independent status to FVC club member status."

***End of Secretary's added note.***

Deb showed the Quaker Steak & Lube Club Participation Plaque that we got for attending that event. She wants the FVC to be open to attending car shows, such as the upcoming Streetside Classics Winter Car & Truck Show on Saturday, December 2 at their Tampa Location, 4610 Pet Lane, Lutz, FL 33559 from 9 AM to 3 PM. Entry fee \$20 Pre Register or \$25 Day of Show. Flier available at <http://premiumcarshows.com/wppremium/wp-content/uploads/2017/05/streetside1217.pdf> The guy Deb talked to said they would make a van class if we get 10 vans to show up. Supporting this type of show may attract more show vans into the FVC than the shows we have at our events. We need to try and show up at these events.

### **BID FOR COUNCIL OF COUNCILS 2020:**

Judith and Cari said we need to start seriously looking for a theme and a suitable location for the event. It is really preferable for the hotel to have free shuttle transportation to and from the nearest airport. That eliminates a lot of headache on our part.

### **NOMINATION FOR FVC OFFICERS FOR 2018:**

Nominations for FVC officers for 2018 were re-opened from the last meeting and the following new nominations were made.

Joe Van declined his nomination for Van Judge and nominated Snapdragon for Van Judge.

Lew nominated Earl Morris for Treasurer.

Judith nominated Mook for Treasurer.

The revised list of persons nominated for FVC Officers for 2018 is:

Office	Nominee	Nominator	Second
President	Rich Qualters	Bullwinkle	Steve
President	Deb Killion	Leslie	Cari
Vice-President	Cari Patton	Leslie	Bullwinkle
Treasurer	Leslie Stanziani	Linard	Steve
Treasurer	Earl Morris	Lew	*
Treasurer	Mook	Judith	*
Van Judge	Snapdragon	Joe Van	*
Newsletter Editor	Gnarly	Steve	Rick

\* There was a valid second, but the name wasn't caught in the chaos of the moment.

During the counting of the ballots, Cari made a motion to adjourn, but SpookyTooth didn't accept it as the ballots were not fully counted at that point. At this point many of the members had to leave and start cooking for the pot luck dinner, as the meeting had started somewhat late (4:07 PM), and the ballot counting wasn't finished until 6:26 PM. So the meeting stopped without a formal adjournment at 6:26 PM.

During the voting process, there were a couple of irregularities. Konehead insisted that he had paid his dues for 2017, but, during the process of transfer from the PC database to the on-line Google Docs database his name was not listed on the official record as paid. A couple who said they paid their dues did not show up on the official record either.

Because of this clerical error these 2 vanners did not get to vote. The Treasurer, who had the necessary hard copy of the original information, was not at the meeting so this discrepancy could not be resolved during the meeting.

### **The FVC officers for 2018 are:**

Office	Nominee
President	SpookyTooth **
Vice-President	Cari Patton
Secretary	Scribe John
Treasurer	Mook
Van Judge	Snapdragon
Newsletter Editor	Gnarly

**\*\*** SpookyTooth won by one vote, but 2 vanners did not get to vote and the validity of the result for the office of President was challenged. None of the other contested offices were won by an amount of votes that could possibly be impacted by the 2 votes in question so those election results stand.

***Secretary's added note:***

After the end of the meeting, the Treasurer confirmed that Konehead did, in fact, pay his dues and SpookyTooth had confirmation that Ron paid his dues at the November 2016 meeting.

Since the voting irregularities for the office of President could not be resolved during the meeting, the current FVC officers, subsequent to the meeting, considered all options that might be taken to come to the fairest resolution of this situation, including the possibility of having a re-vote at the January meeting.

The officers could not come to a complete consensus of the path forward, so the President decided that the best interest of the FVC was to simply accept the vote "as is" and move forward. We have lots to do in 2018 so this issue should remain in 2017. The election results stand, and SpookyTooth is the FVC president for 2018. There will be no re-vote.

Also, a number of times in the past, an FVC meeting ended in some disarray and there was no formal motion to adjourn. Still, the reality is that the meeting did END, even if not formally, under normal conditions. There was a motion to adjourn, but, technically not accepted. We're not going to stand on technicality and pretend the meeting has been going on for over a month. The meeting did end on November 11, 2017.

Both Ron and Konehead will get credit for dues paid, which will cover their 2018 membership dues.

The President will call the January 20, 2018 meeting to order in the usual fashion and the FVC will start a fresh year.

***End of Secretary's added note:***

Respectfully submitted,

Scribe John, Secretary

## FVC President

It was nice to see our vanning community turn out at Carlisle. This was the first year that I walked around the whole event. You definitely need good walking shoes. Lew encouraged most of us to sign up for the money grab game. I was a little reluctant but I finally gave in and signed up. To my surprise, I was called to play the game; you get inside a clear booth with a blower tossing paper bills around. Whatever you grab in the air is yours. Well, after the allotted time, I came out with \$90. and paid for my weekend.

I hope everyone enjoys the holidays and we will see you at River Forest January 19-21, 2018.

Merry Christmas and Happy New Year  
Spooky Tooth

---

## FVC Vice President

Dear FVC,

It's time to start a new Vanning year. I bid a very personal good bye to the past year. I lost my best friend, my only child, last year. I finally decided to retire last year, taking a new look at my life. I gave up a rather unorthodox relationship of over 10 years. I am hoping all of you have not had as tumultuous last year, but I know each of us has a story to tell. There has been a great deal of separation of ideas this past year, resulting in hurt feelings and misunderstandings. I am hoping we'll find a way to work through it and with each other to resolve most of it. We have to embrace the old with the inevitable new.

Enjoy the new year and try to get to know each other a little bit better.

Cari,  
VP and Social Director. 😊

## FVC Treasurer

Hi everybody, happy New Year! Hope you all had a very good holiday season. Anyone have any New Year's resolutions? I sure have a few. Things are going great here at the beach.

Looking forward to the Pig Roast, (Yum Yum), and all of the eVants coming up this year. Don't forget to get your pre regs in for ForePlay's eVant the first weekend of May at Ellie Rays on the Santa Fe River. It is not on the beach, but it is a cool place, with an AWESOME pool!! A very laid back campground.

I will not be making CofC this year due to the CaptGnarly race, and that will probably mean I will miss Sidewinders too, frowny face. Somebody has to make the \$\$ to go vanning, right?

Please remember to pay your dues, and update your information with me, so that we can continue to keep you up to date. If you do not get a newsletter, that means that we do not have your info. Also, if you would like to receive an actual copy, or if you want an email copy. If you pay me in person, you will get a receipt. Just remember to have the forms filled out with the money. If you do not have the forms, I will have them. Please do not hand me blind money around the campfire and expect me to remember what it is for, haha. It will turn into gas money! For real tho, Let's have a great year, and remember why we do this, to get away, have fun, and relax. That's what is important!

We aren't getting any younger!!

Big Loves,  
Mook

## LETTERS TO VANTASY

Having a van problem? Let Vantasy help you out.

**Dear Vantasy,**

The last FVC meeting was so hectic and chaotic that I haven't recovered from it yet. I am so stressed out. What should I do to calm down?

Stressed Out

**Dear Stressed,**

If you're looking for something less chaotic to calm you down I would suggest seeing if you can get in the ring as a wrestler in the next WWE Smackdown. Another less stressful event would be to enter and drive your new van in a Figure 8 Demolition Derby.

## Keys 2017

# Vanning Museum X-Mas Party

Well another year has gone by and a new one is starting! The Jolly Rogers campground was nice, with grass and concrete pads at every site instead of rocks. We had a pavilion for our use to stay out of the rain and wind from the storm going by. It had a fenced-in dog park for Cooper to run around in. It also

had a boat dock to fish off and catch little sharks. It was missing a beach like Sunshine Key has and was an extra 30 minutes to Key West. But overall it was a good find (thanks Mook). The price was a little bit more money but worth it.

The last meeting was at Sun-N-Fun. The car show didn't seem as big as last year. We did get to watch Spooky Tooth grab for cash (\$89.00). The meeting was after the show, which we need to rethink that. Having the meeting late and holding elections too is not working. This year was a close one for president with Spooky Tooth edging out Deb by one vote. That is why everybody needs to vote even if you can't make it. Get your proxy in ahead of time and voice your choice. We need to make a deadline for them to be in to John. Also try to attend the meeting because we do open up nominations again also. Now whether your choice won or not we cannot let it divide us. I don't like "Chump" but I have to live with it. The more people you have, the more opinion's there is going to be. We don't always agree on everything. What's done is done and let's move on, life is too short to be mad.

Also at the meeting the issue was brought up about how old you have to be. The bylaws do state you have to be seventeen. If we let anybody underage be a member, we (FVC) would be responsible. Plus what would prevent somebody's whole family from being members with voting rights. Maybe a junior FVC member, with no voting rights but recognition of their interest instead.

The next meeting and party is in Deland. So get your pre-reg in and your dues. Chester is having his New Year's party also. I won't be able to make it. I will still have family in town. Broward is having our party at Tom's in March again. The flyers will be at Deland. So until then be safe and see you soon in Deland.

Linard

Merry Christmas and happy New Year to all vanners

Happy vanning,  
Guy Partridge of New Zealand.

Hello Vanners..... as 2017 winds down, we look back at some great e-vants and new friends we have found along the way. As you can guess, not everything went as we hoped but we will move forward into 2018 with our focus turned to our own e-vant in April, Together Again. The same property and activities as Together 2017 with what we hope to be a few surprises at Good Council Camp, Floral City. Hi-Way Vanners hope you all have the dates (April 6-8) on your calendar marked as everyone who was at the first will tell you, it's a "not to be missed" party to start off the 2018 season. You know Hi-Way Vanners is a really small club and I ask you to please help us to make that happen by pre-registering as soon as possible as I have lost my job this past month which puts our cash flow at a trickle.

Snapdragon is the new van judge, thanks Joe. He will continue to be a Council member. I personally want to thank all of you that supported my run for President. I will be at my van with puddings during the 2018 meetings so stop by.....

DragonLady Deb

Hi All

We had a really interesting meeting and elections this year. Congratulations to our new officers. I hope that the runners up will run again. You know the old saying "If at first you don't succeed try and try again". I hope by the time this newsletter come out things have settled down.

Hope to see all of you at the Forrest.

We had a great time at the Museum. There were a lot of people from out of state visiting for the first time. Lots of great food and a much needed fire. Joe and Bonnie are really moving along with the Museum. If you have not been there I a while it's time to go back.

Hope everyone had a good Christmas and New Year.

Judith

## **BBQ - Standard Operating Procedures released today**

It is Florida BBQ winter cooking season. It is important to refresh your memory on the etiquette of this sublime outdoor cooking activity. When a man volunteers to do the BBQ, the following chain of events is put into motion.

### ***Routine...***

- (1) The woman buys the food, makes the salad, prepares the vegetables, and makes the dessert.
- (2) The woman prepares the meat for cooking, places it on a tray along with the necessary cooking utensils and sauces, and takes it to the man who is lounging beside the grill, beer in hand.
- (3) The woman remains outside the compulsory three-meter exclusion zone where the exuberance of testosterone and other manly bonding activities can take place without the interference of the woman.

### ***Here comes the important part:***

- (4) THE MAN PLACES THE MEAT ON THE GRILL.

### ***More routine....***

- (5) The woman goes inside to organize the plates and cutlery.
- (6) The woman comes out to tell the man that the meat is looking great. He thanks her and asks if she will bring another beer while he flips the meat.

### ***Important again:***

- (7) THE MAN TAKES THE MEAT OFF THE GRILL AND HANDS IT TO THE WOMAN.

### ***More routine...***

- (8) The woman prepares the plates, salad, bread, utensils, napkins, sauces, and brings them to the table.
- (9) After eating, the woman clears the table and washes the dishes.

### ***And most important of all:***

- (11) Everyone PRAISES the MAN and THANKS HIM for his cooking efforts.
- (12) The man asks the woman how she enjoyed 'her night off,' and, upon seeing her annoyed reaction, concludes that there's just no pleasing some women.

A vanner was driving along a California beach when suddenly the sky clouded above his head and, in a booming voice, *God said, 'because you have tried to be faithful to me in all ways, I will grant you one wish.'*

The vanner pulled over and said, 'Build a bridge to Hawaii so I can drive over anytime I want.' *God replied, 'Your request is materialistic; think of the enormous challenges for that kind of undertaking; the supports required reaching the bottom of the Pacific and the concrete and steel it would take! I can do it, but it is hard for me to justify your desire for worldly things. Take a little more time and think of something that could possibly help man kind.'* The vanner thought about it for a long time. Finally, he said, 'God, I wish that I, and all men, could understand women; I want to know how she feels inside, what she's thinking when she gives me the silent treatment, why she cries, what she means when she says nothing's wrong, why she snaps & complains when I try to help, and how I can make a woman truly happy.

*God replied: "You want two lanes or four on that bridge?"*
