## **FLORIDA VAN COUNCIL**

Minutes of the January 20, 2018 meeting at River Forest Group Campground in the Ocala National Forest, near Deland, are as follows:

SpookyTooth called the meeting to order.

Minutes of the November 11, 2017 meeting were read and approved.

There were 10 clubs present and ONE Excused Absence (out of 12 active clubs total) during roll call.

### **TREASURER'S REPORT:**

Mook gave the Treasurer's report and noted that we should start using her new e-mail address [mook@floridavancouncil.com](mailto:mook@floridavancouncil.com).

### **NEWSLETTER REPORT:**

Gnarly gave the newsletter report. He noted that the disaster during voting should not have happened. So, how do you know if you are not on the official list of FVC members? When in doubt, check with Gnarly at [news@floridavancouncil.com](mailto:news@floridavancouncil.com) or any FVC officer. Also, if you are not getting your copy of the newsletter, in hard copy or electronic form, then something is wrong and you need to check with Gnarly. Deadline for inputs to the next newsletter is February 4, 2018. That means that there will be no inputs from the 2018 CofC meeting, which occurs on February 24.

### **FVC MEETINGS FOR 2018:**

Spooky Tooth said we should have our June meeting on June 16 at the location Judith had suggested at the last FVC Meeting. So, the June 16 FVC meeting will be at Pioneer Park in Zolfo Springs. You can't reserve spots so come early.

He also said we should have our Labor Day weekend meeting in Dunnellon, where we have had a previous meeting. A motion by Cari that the September 1, 2018 FVC meeting and event be held at the Ross Prairie Trailhead & Campground near Dunnellon was carried by a unanimous hand vote. There was some discussion about having more port-a-potties available, or possible re-location of where we put the port-a-potties.

A general comment was made about the increased cost of meeting locations. Bob Oakes said that most State Parks have gone up to \$12 per night. Everything is going up.

Spooky Tooth noted that we will have elections for officers at the November meeting. Lew said out loud, what most everyone was thinking, "We don't want any more meetings at Sun 'n Fun. Having a meeting in the midst of a major event, like the Vanarama, just doesn't work out for us."

At this point, Steve and Lynn, guests from Ormond Beach, were welcomed.

### **VAN-IN UPDATES:**

VC Van Council      February 22 - 25, 2018. Council of Councils 2018 - Maison St. Charles Hotel, New Orleans, LA. Spooky Tooth asked for a show of hands on how many are going. 8 vanners raised their hands. Spooky Tooth and Lew will be the official reps for the FVC at the meeting on Saturday.

Broward      March 16 - 18, 2018. Broward's Laid Back Week-end Tom's in White Springs - Soup Friday night. Covered dish on Saturday. The meat will be provided. Linard noted that March 17 will be St. Patrick's Day, so we're celebrating the Irish.

Hi-Way Vanners      April 6 - 8, 2018 - Together Again - Snapdragon said everything is going well. You can come just for the van show on Saturday if you can't spend the weekend. There will be LOTS of activities. Please Pre-Reg.

Fore Play Vanners      May 4 - 6, 2018 - Cinco your Lips In the River - Ellie Ray's RV Resort, on the Santa Fe River in Branford. Gnarly said they don't have a gate price yet, but it will probably be fairly high, so Pre-Register NOW! Pre-reg cutoff date is April 1, 2018. They are planning their usual amazing party. And this venue was carefully selected because it allows them to do just that.

Truckin' in to Tomorrow      July 25 - 29, 2018 - 46th National Truck-in® - Jasper County Fairgrounds, Rensselaer, IN. Judith noted that there are going to be lots of different kinds of music from lots of bands. There will be lots of van-related night time games. 150 pre-reg to date. They only have access to 12 golf carts which they will rent only to

actual handicapped vanners. They are trying to make this event fun for the younger vanners. <https://www.van-nationals.com/>

Southeast Van Council      September 28 - 30, 2018 - GSVR XIV - Flaming Arrow Campground, Whittier, NC (just south of Cherokee, NC). Hosted by the Southeast Van Council. Jim Bulger said you need to call Joanie, at the campground and make your reservations soon.

Florida Van Council    Spooky Tooth contacted Kelsy, who is in charge of all the campgrounds for the parent company of our usual campground at Sunshine Key. We will be able to get our usual October 26 - 28, 2018 weekend, but there will be a price increase. It will cost around \$193.60 per van for the whole weekend. That is just over double what we have paid in the past (\$90 per van for the whole weekend) and is on a par with what we had to pay this past year at the Jolly Roger campground, just north of Marathon. So, some of us will have to do some more detailed checking before the next meeting before we can finalize the Keys eVant.

### **VAN-IN PROPOSALS:**

Florida Van Council    September 18 - 21, 2019 - Vanners in the Forest V. Judith proposed that we get River Forest or Doe Lake, whichever we can reserve for the Martin Luther King Jr. holiday weekend.

### **MEETING DATES for Remainder of 2018:**

March 17	Broward's Laid Back Week End - White Springs
June 16	Hardee County - Pioneer Park - Zolfo Springs
September 1	Ross Prairie Trailhead & Campground - Dunellon
November ?	Date and location not firm - Election of FVC Officers

### **MEETING DATES for 2019:**

January 19      FVC meeting in conjunction with Vanners in the Forest V - River Forest Group Camping area near Deland

### **OLD BUSINESS:**

Judith noted that she now has 30 names of deceased FVC vanners to go on the patch to be made for the Traveling Memorial banner. She will get the patch made and sew it on to the banner. If you want to have an individual patch made, contact Judith and she will give you the contact information of a person who will make the patch for about \$10.

Linard wanted to know what we do with the tons of old Treasurer stuff going back many years. The group consensus was that corporate records of that nature do not legally have to be retained for any longer than 7 years. We'll either burn them in the fire tonight or at the next meeting.

A discussion regarding the Junior membership began, but Rob mentioned that we have a motion from the last meeting to vote on the requirement for FVC members to be 18 years of age. The motion regarding a change to the by-laws to require a person to be 18 years or older to be a member of the FVC was passed by an almost unanimous hand vote. There was one "No" vote.

The discussion continued. Ed said that, if he were 16 years old, he would feel stupid saying that he was Junior Member of the FVC. Judith, Gnarly and many other members thought it would be a great idea to change the by-laws to allow for Junior Membership in the FVC.

A motion by Cari (seconded by Gnarly) that an additional paragraph be added to Article IV, Section I of the FVC by-laws that reads "Junior Membership will be allowed for persons 17 years of age and under. Membership dues for Junior Members will be one-half of the dues for regular members. Junior members will receive the FVC newsletters, be able to show their van in the van shows, attend meetings, but will not have any voting privileges."

Konehead wanted to be sure that Scribe John knew the correct spelling of "Cluster F- - K" because that's what he thought happened during the voting at the last meeting. He said he felt like folks were calling him a liar when he said he was a member and wasn't allowed to vote because of the technical glitch in transferring the database to a new system. He understood the SNAFU but wanted to make sure everyone knew how he felt. Bob, from CaraVans, said we should get back to having FVC membership cards, like we used to.

It was noted that the FVC needs to put an ad in the 2018 NATS commemorative booklet plus a trophy sponsorship.

It was also noted that the FVC needs to make arrangements to reserve a port-a-potty for exclusive use by FVC members at the 2018 NATS.

A motion that the FVC take out a Full Page ad in the 2018 CofC Commemorative booklet was carried by a unanimous hand vote.

### **BID FOR COUNCIL OF COUNCILS 2020:**

Cari said we are still welcome at the Cocoa Beach hotel if we want to host the 2020 CofC meeting there. There was discussion regarding the fact that there is no easy way to get from the Orlando International Airport to Cocoa Beach and we certainly aren't going to be able to provide a shuttle service ourselves. But, a number of the vanners said that it is becoming normal at recent CofC meetings that the host hotel does NOT have a free shuttle to and from the nearest airport. It was concluded that Judith, Lew and Cari would form a mini-committee to check on available hotels in Orlando, including the possibility of having the host hotel at Walt Disney World (if that is possible) and hotels in Cocoa Beach and report their findings at the next meeting.

### **NEW BUSINESS and OPEN DISCUSSION:**

Spooky Tooth re-iterated that he wasn't active on Facebook or any other on-line social media. He does have an e-mail address. But, if you want to talk to him, just pick up the phone and CALL.

Chappy noted that he is starting a new club, Van Fools in Florida and will get back with us when the club has 3 members.

Linard made a motion to adjourn (seconded by Maggi) and the meeting was concluded.

Respectfully submitted,

Scribe John, Secretary

## **FVC President**

I am very happy that our 2018 vanning season got off to a great start. River Forest has always been an event that was not to be missed. The evenings were cool, but the days were comfortable--not too warm. Captain Randy kept the evening fire going while Lew provided the Classic Vinyl music. A lot was accomplished at our meeting, and we also welcomed new guests, Steve and Lynn. We

also had Keith with his '95 Van, who heard about us from Just Ed and decided to check us out!

On a sad note, Judith, Agnes, Lew, Maggi and I attended the memorial service for Ma Bell from Rainbow Vanners on Saturday, February 3rd. Best known for her Biscuits & Sausage Gravy, she will surely be missed by all the vanners who knew her.

We're off to New Orleans for the C of C in a few weeks and look forward to another good time there.

Hope to see you all at the next event at Tom's house in White Springs for Broward's Event.

Van Safe,  
Spooky Tooth

## **FVC Vice President**

Hello FVC.

I have had family in from NY as well as getting ready for this cruise. I can hardly wait for Broward's event in March. This is a great time with lots of food and a HUGE bonfire both nights. We are all looking forward to another Vanning

year with Hiway Vanners next get together at Floral City in April to keep the good times rolling.

We will be hearing the feedback from the Council of Council group so stay tuned for more details about the future events and meeting locations. Hasta la Buhbye and be safe.

Cari, VP/SD

Hi all!

The new year has started and it was a good one at River Forest. We had cold weather Friday night perfect for sleeping. I think somebody said it got to 38 degrees (burrerr). We had lots of soups and chili Friday night. Randy got to burn some wood. John let everybody play with his balls as usual. The meeting went well and everybody got to say what they wanted. It was good seeing (almost) everybody. I did miss not having karaoke at least one night. The pig roast was good, thanks Joe for cooking. Saturday night warmed up by 20 degrees. So Randy didn't have to burn as much wood.

The Super Bowl game was great! It was good to see New England lose (sorry Kone Head I had to put this in). Not much of a defensive game but good for the record books. Maybe next year Kone Head (I hope not). Go Dolphins!!

Broward's eVant is coming up next (besides C of C) at Sidewinders house. Same location as it has been for the last 15 years (something like that). It is St. Patty's day weekend so bring your finest green outfit for Saturday. We will have soup and bambi chili I am sure. Maybe a little corn beef and cabbage. So feel free to bring a little something Friday night. Saturday morning we will have breakfast. We will supply the meat for Saturday night, you just bring a covered dish (with something in it). The meeting will be held here also. Bring your ear muffs and noise makers for after the meeting. We will have a large fire. We will need to appoint a fire marshal since Randy won't be able to make it (sorry Randy). I do ask everyone to pre reg if possible. If not call me 754-224-8292 cell or email linard@kcenginepro.com (work). Just so I know how much to buy. We do hope to see you there, it's the cheapest eVant of the year. That is cheap in cost not in fun.

Hy-Way vanner's is up after ours so if you haven't pre-registered it's getting late. Its cheaper than paying at the gate. The same with Fore Plays, I'm pre-reg'ed for both. So until than, see you at Sidewinders!

Linard

FVC meeting**

*Vans, Vanners, Campsites*

I was on vanning.com recently and saw a thread saying Brian Walker - poor man had passed away, is that true as I met him in '97 and he was very friendly with Peter lee of UK?

How are you getting on with your new leader - twit who is always on twitter as I have named him Donald Tweet ?? and hear you had snow in Florida? - hey what happened, did Donald Tweet upset the weather gods as it is supposed to be the sun shine state?

How is vanning? Some good vans around and down here, we are in a heat wave and my van is slowly coming together, the 20 year project. 2 years to go I bought it a '99 as a rolling body and has gone through too many changes and if you can source the international page that used to be on the Florida Van Councils web site... I did a story with photos of my first van, a white small wheel base '76 Bedford CF named Cloudbuster. Middle pic shows me with my dog named Justin and on the bottom of the page is two photos of my current project of a '76 long wheel base / high roof Bedford CF van called Andromeda and my van names are of my sky bound hobbies. Andromeda is a bitza van of many parts from my first van and scrounged off wrecks from bone yards or new panels made from my card board molds as it is now 16 feet long, 6 foot 6 wide and 7 feet tall, a cruiser with V8 mechanicals.

I will say bye for now and hope all the vanners in Florida are enjoying their vanning.

From Guy of NZ.

Hi Fellow Vanners,

It was great meeting so many of you at the Forrest. The weather was great but it could have been a little warmer on Friday night. Thanks to Randy we had a great fire to keep warm by. The food both nights was outstanding. Joe did his usual bang up job with the Pork. Thanks Joe.

The next adventure is Council of Councils in New Orleans. Looks like Lew, Agnes and I leave about the same time on Wednesday Rich and Maggie get in about an hour after us. This is always a fun trip.

I've been working on some places for C of C in 2020 in the Orlando area and Cari is looking into Cocoa Beach area. We should have some info for all of you in the near future.

We had a good meeting and several upcoming events are planned. Hope to see a lot of you at Tom's and at Together Again. I'll be leaving from Fore Plays event to go north. I'm looking forward to seeing you all on Labor Day this year. It's been a long time since I was back early enough to go to Labor Day. I'm having my foot operated on that week be back in time. Looks like the Keys is up in the air as our grounds is still under renovation and has upped the price considerably. Hope to see all of you at a Van eVANT soon.

Judith
