FVC President

Not much has happened since our last event at Toms in White Springs. Broward did a classic Vannin again this year, as always. The weather turned out perfect, warm during the day, and cool enough in the evenings, to really enjoy the fire. Naturally the covered dish dinner on Sat. night, pleased everyone. If you missed this year, you need to put it on your calendar for 2020.

Our next get together will be the "Spaghetti Dinner" weekend on June 14th & 15th at Florida Sandalwood, Boggy Creek Road in St. Cloud. It would be nice to see a lot of our Vanner Family, that we haven't seen for a while. BOO where are you ? Don't forget, this meeting we will be having nominations for 2020 officers. Hope to see a good attendance at the June event. We have 12 Vans pre.reg. for the 47th Nationals in Greenfield, Mass. good job to all who registered.

Travel safe,
SpookyTooth

FVC Vice President

Dear FVC,

Ermagherd! Where does the time go? I came home from another amazing trip in the Keys, to find mom in hospital. She is still having problems but at least is home now.

I am excited about a charity spaghetti dinner at the June 15th meeting. Let's all come out to support Meals on Wheels! \$5 per plate brings you a delish meal for a good cause. Come out to the meeting but stay Friday and Saturday nights for a fun time get together. Get involved and participate in YOUR Van Council. You can make the difference in how you want the Council to head into 2020.

Keep it safe.
Cari, VP and Social Director.

FVC Treasurer

Hey everybody! Mook here, just want to say thanks for all the new members that have recently joined we appreciate it and look forward to some good times with you all. Stay tuned to Facebook and even if you're not on Facebook, you can see a glimpse of what we post at www.floridavancouncil.com. I really hope to see all of you at the FVC Spaghetti dinner on Saturday, June 15th to benefit Meals on Wheels. \$5 a plate dinner will be at 4:30PM.

May 1, we headed North. The more we drove, the colder it got. After a week long stay in Pittsburgh, we arrived at Knox County Fair Grounds, before anyone else. Oops, seems we were a day early. After raining all night, more early birds started arriving. Judith arrived with the host club. Thursday night is Mexican night. So we all loaded into a few vans and went to the local Mexican Restaurant. Smitty ordered something that looked like a baby wrapped in a huge soft shell. When we got back to camp, it was time for extra layers. Friday, the rest of the vanners slowly rolled in. It was nice to greet friends, we hadn't seen since last fall. I started layering at dinner. Friday night's band was pretty good but beware of all the aliens. Since the band was indoors, I only put on long johns and a regular vanner layer. Saturday, there was a van show and activities like making tin hats to protect against aliens probing your brain. One landed in our campsite. Brave Brenda captured him and is making a travel companion out of him. There was a toss the extraterrestrial vessel parts, alien bowling and UFO toss activities. For dinner, we had Green alien meat sandwiches, fried shredded roots, and green alien balls. Thank you Dale! Hope you washed those aliens before you skinned them. Time to start putting on more clothes. 8:00 we went to trophy presentations and 50/50 drawing. Followed by another layer of clothes. By time we went to the band, I had two layers of long johns, 2 t-shirts, and my snowpants on. I was beginning to look scarier than the aliens. The band was good. Rained all night. I hate packing everything wet.

Mother's Day, we drove to a Mom and Pop Campground in Springfield. Where it continued raining all night. Tonight, we are in Kickapoo State Recreation Area. It is a nice place to camp, if you can find it. (Hint: Follow street signs not GPS) Tomorrow, we are stopping at Darrin and Rita's.

Agnes

Well, here it is June already. This year is flying by. If you haven't heard we are proud owners of a new Ford Transit 350 HD extended 5 cylinder diesel. It made its first event to Sidewinders in March. We would like to thank everyone that attended. We had our large fire and lots of food. The weather started out cold but warmed up quickly. Six Pack was happy about that. We even had Smokey there this year and a few new faces. We hope y'all will come back next year (if Sidewinder will have us).

I missed the Randy and Mook big adVANTure in the Keys. We went to see Pam's brother, Gary, in Virginia at the VA hospital the week before. We left on Wednesday and were back home by Sunday. We're glad we made the trip as, sadly, he passed away the following week. Big Blu did its job. Two thousand miles and the seat knows my ass now. Toward the end of the trip I was up to 19 MPG for that big old (new) thing. At least we got a chance to see Gary and share a few laughs before he passed. We are all getting older (say it isn't so).

Nationals is coming up quick. We are looking forward to taking two weeks off this year. We are going up to Dave and Jacqi's in N.H. first and spend a few days on the lake. Then off to Nationals. After that, on to Clyde, N.C. to see some of Pam's side of the family.

I am going to try and make it to the meeting for the weekend. It will depend on how much I have gotten done on the van. So until then, truck it safe.

Linard

Hi guys.

Left here with Bob/Dave at 6:30 am and drove over and met up with everyone at the vanning Museum. Nice convoy to Sam's beach bar for a day of fun, 30-35 vans in the convoy. A fun time and hats off to Joe and Bonnie for a job well done! Met some new vanners and also saw some vanners that I haven't seen in a while.

The next day(4/15/19) I dropped off Vanborghini at paint and body to have some rust issues fixed before the natz. More issues than originally thought, it is what it is. Can't wait to get it back!!!

Just got home from May-hem. Another great show!!! About 30+vans spent the nite and had a police escort to Destination Daytona in the morning. Go cart races, mini bike races, dash plaques, trophies, goodie bags, and well over 90 vans. This gets better and better every time they have it. Can't wait until the next one in November.

As some of you have heard, I am running for president of the Florida van council and am hoping if elected that I can get feedback as to how we can get more members and move forward to make vanning great again. Like we all remember!!

Last and not least! Things are moving along very nice for our van run Labor Day weekend. Campground is paid for, band is in place, parts house sponsor will be cooking hot dogs and hamburgers, dash plaques are ordered, trophies are made already. Things are moving along but there is more work to do. Send in your pre-reg's and plan on a fun long weekend!

With just a few organized Florida camping events this year, Mook & I have been hitting some quick weekend fun. Cocoa Beach for a Falcon Heavy Launch, Boyd's at Key West (CincoDeMayo weekend). After the June meeting its prep for a couple weeks on the road to OMG that's really far up there at the NATZ this year, stay tuned

for the follow-up story 😊

I want to express my feelings of missing the Sidewinder March FVC meeting. I really do miss not being there. Everglades Challenge is a big part of me and dates just overlap... I'm still looking for a different vessel for next years event, so perhaps I can make the meeting in 2020. I feel I would die if I can't do the Everglades challenge, but who knows what next year brings.

GSVR will be coming up before we meet again in November, if you haven't been, make plans NOW, call the campground and make a reservation!

November is voting time for officers, if you like vanning, come and be a part of keeping it going for years to come.

Gnarly – FVC Newsletter Editor

Hi All,

Who would have thought that it would be so hard to get your van painted. Went to pick it up the first time and they had shut the doors on the fresh paint leaving black marks and didn't paint under the hood. Went to pick it up the next time and door jams were fixed but the hood still was not painted. Next trip and it was done. Went home put the new interior in it and all the parts pack on and looked at it and noticed a red haze. So back to the paint shop it went. It's out now but they sure could have done a better job.

Got the Van back on Monday night at 5 and proceeded to pack it and left the next day at noon. Made it north of Atlanta the first day and into Coops the second day. Thursday we packed all the thing needed for the truck-in and off we went to the grounds. Lew and Agnes were there before us. It rained off and on all weekend but we still had a great time. 157 vans attended. I was good to see all those vanner I haven't seen since last year.

Wednesday I'm off to MO to Spring Fever and then Mid-West. Hope to see lots of you at Nationals
