# **FLORIDA VAN COUNCIL**

Minutes of the November 16, 2019 meeting at Floridian Sandalwood RV Resort in St. Cloud, are as follows:

Spooky Tooth called the meeting to order.

Minutes of the June 15, 2019 meeting were read and approved.

There were 11 clubs present and NO Excused Absence (out of 12 clubs total) during roll call. It was noted that West Coast Vans should really be an Excused Absence, considering the medical issues Rick's wife is having. It's understandable why he didn't put calling in for an Excused Absence to be a high priority.

## **TREASURER'S REPORT:**

Mook gave the Treasurer's report.

## **NEWSLETTER REPORT:**

Gnarly gate the newsletter report and again thanked everyone for the great input. If you aren't getting your newsletter in your e-mail box, or via snail mail, then you need to contact us, because that means we don't have your correct contact info. Please be sure to send all your input to [news@floridavancouncil.com](mailto:news@floridavancouncil.com) and Gnarly will always give you a response. If you don't get a response, that means he didn't get the input.

## **VAN-IN UPDATES:**

## **VAN-IN PROPOSALS:**

Foreplay      Still thinking about it

Adventure Vans of FL October 23 - 25, 2020 - Robinson Ranch - Halloween theme. Covered dish. More data coming soon.

## **MEETING DATES the remainder of 2020:**

January 18      Vanners in the Forest VI - River Forest Group Camping area in the Ocala National Forest, near Deland

June      Date and location TBD. Nomination of FVC officers for 2021.

November      Floridian Sandalwood RV resort in St. Cloud - Lew noted that we need at least 10 vans to show up for the night to get a price break. This will be the election of officers for 2021 and the annual pig roast meeting.

## **OLD BUSINESS:**

Cari said that Rick Chester would probably still be doing his annual New Year's eve party this year at the Chester Ranch on December 27 - 29, 2019, but, we're not absolutely sure because of his wife's medical condition.

Judith thanked everyone who attended this years National Truck-In® (Nats). The 48th National Truck-In® will be held on July 8 - 12, 2020 in Albert Lea, Minnesota. They have 4 pre-reg at this time. The Nats is the premiere vanning eVant of the year, and everyone always has a great time.

## **NEW BUSINESS:**

It was mentioned that FVC always puts an ad in the bible for the annual Council of Councils (CofC) meeting. A motion that the FVC take out a full page ad (\$50) in the 2020 CofC bible was carried by a hand vote.

## **OPEN DISCUSSION:**

Brian, of Green Demon Vanners Van Club ( @greendemonvans ), noted that he wants to grow the FVC, especially the younger vanners, who can be more readily reached via Instagram. There were no objections to his request to set up and monitor an Instagram account for the FVC. There was a round of applause when all of the Green Demon vanners who attended this meeting stood up.

Nominations were re-opened for FVC officers for 2020. There were no new nominations. Ballots were distributed to all members, and Spooky Tooth ordered a 15-minute break for the counting of the ballots. There was only one contested office, that of Vice-President. Joe Van was elected Vice-President for 2020.

<b>FVC OFFICERS FOR 2020:</b>			
President	Konehead	Vice-President	Joe Van
Secretary	Scribe John	Treasurer	Mook
Newsletter Editor	Gnarly	Van Judge	Shawn Cooligan

Judith noted that we have so many new members that she suggested that everyone, new and old, stand up and introduce themselves so the new members and the old members can put a face with the name and learn a little something about each other.

It was noted that the FVC has added 3 new clubs to the roster, Psycho Vans, United Vans and Green Demon Vanners Van Club.

Judith presented plaques to Spooky Tooth (retiring President) and Cari (retiring Vice-President).

At this point, everyone started milling around and the meeting was concluded without a formal motion to adjourn.

Respectfully submitted,

Scribe John, Secretary

## FVC President

Well, Boys and Girls,  
Had a great turnout at the November meeting, 50 FVC members. Haven't seen a meeting that big in a long time, we were even allowed to use the meeting hall for the pot puck after. Pot luck dinner was delicious!

As most of you have heard, I am the new president of the FVC. Time to make vanning great again! I have been talking to a lot of members and former members about what we can do to make vanning in Florida better. Have been getting a lot of positive feedback, which I feel will help. I personally would like to see 100 members in the FVC this year, I think that is an attainable goal! I also will be trying to bring some fun back to the meetings and keep them a hour long. Looking forward to starting off the new year with a bang!

Next up after the meeting was the fundraiser for the museum of vanning.(Dec 6-8 2019) Great turnout from all over. England, mid-west, Washington state, Canada and of course Florida. Sry if I missed anyone,90 vanners partied for the weekend.

Next was off to Russ and Hattie's Christmas party with a cool gift exchange, someone brought 3 vans as a present and of course they kept changing hands. I ended up with the vans when everything was said and done. Saw a lot of vanners that I have not seen in a while and invited them back to the FVC.

The following weekend we went to a party at the mayor of port orange's. He lives around the corner from us.

Hope everyone had a Merry Christmas and happy New year!!!! Looking forward to seeing everyone at the January meeting at River forest, always a good time!

Konehead

(when your with the kone, you're never alone)

## FVC Treasurer

Wow, Happy New Year everyone! Thank you to all who paid your dues for 2020 on time. For some others - please pay your dues prior to end of year for the next full year, it makes for a difficult time to sort out votes at the November meeting when dues are paid only to vote. It is not kind to pay dues late (January is \$21 for the year). Please be kind.

For some of us Vanning may be a hobby, for some a religion, for some a family, for yet others a lifestyle. Whichever may fit you, please ask questions and talk to many. We all have our opinions. Vanning has evolved over many generations & it takes all of our voices to create what we want in the future. Let's create a kind, fun & easy-going place.

Mook

## From the Editor...

Vanners,

2019 was a mellow vanning year for me, many of us chose some out of state events, I hope we can create more in state events for the future. I only make 1 event per calendar month, I choose to live a laid-back lifestyle and my retirement started when I was a teenager & chose to sail boats for a living. This, however means my weekends are precious. 2 events in January can hopefully be spaced out for 2021 as we have none for February in 2020. Please continue to share pics and stories of place and happenings I do not attend. I do attend all vanning events worldwide in spirit. Some even have virtual connections.

All of us are vanners in spirit and we really do have common interests, I feel listening has enabled us to stay together and our numbers are showing growth over the past several years, I believe we can bolster up that trend and grow the FVC roster in the coming years.

Peace, Love, & Vanning

Gnarly

Well vanner friends,

My three years as your president has come to an end! Now we have new leadership and need to give 100% support to Kone, Joe-Van and Shawn, our new Van Show Judge. I was blown away by how Adventure Vans pulled off their event. To find another campground on such short notice was amazing. It was also nice to see Homegrown Kustom members giving their help to Adventure. Next, I finally made it to Turkey Van Run III. It was a great time at Bulow RV Resort on Friday night, then Saturday morning, the cruise to Destination Daytona was awesome.

After a very nice time there, we headed back to Bulow to continue the party. Green Demon Van Club and Orlando Street Vans showed everyone a good time.

Our November meeting went very well as we ended with three more clubs joining the FVC. Welcome Green Demon Vans, United Truckers and Psycho Vans.

Van Safe,  
Spooky Tooth

Dear FVC,

Another year has passed and I am thankful for all of y'all and your friendships.

We face a new year starting with the Vanners in the Forest eVant in January. I hope to see everyone there. Don't forget soups and finger foods for Friday evening and a covered dish for Saturday evening.

There will be an FVC meeting at noon on Saturday, as well. Come with or meet new vanners and enjoy the laid back weekend.

Keep your sense of humor and love one another.  
Cari

## Directors Blog

We lost a good friend today not just personally but to our Vanning Community. Ed Fucci passed away early this morning. Ed had been battling health issues for quite some time and we are sure that he is now at peace. Our prayers go out to Rita and Ed's family at this time of sorrow..

Ed was also a great friend to the Museum as his influence can be seen all over the Museum, including our early Chevy Vanner bar that Ed painted for us, donating his time and all the resources. Ed will also be remembered in our ring of Honor with Zelda and with a beautiful brick in the garden.

As this year comes to a close, please take the time to remember your loved one's and to know how blessed you are to have them. Maybe in 2020 we can put the petty stuff behind us and just be grateful for what life throw's our way. We are pretty lucky to have this second Vanner family, not everyone can say that.

My wish to you is a Happy and Healthy Vannin New Year.

Hi vanners,

How is vanning in Florida? I am keen to know any new email addresses to have contact as a vanner of 30 years of NZ.

I was given long distance international participation at the 25th Truckin' nats and yes we have aged and moved on with our life of many reasons and there are some vanners I met and travelled with on my great journey of America of 1997 who have gone to vanning heaven and they are always remembered by me as great vanners.

I am still crazy on vans and go to some events when I feel comfortable of whom will be there as in my small south pacific country there has been a shift between vanners and our governing body which left a sour taste amongst vanners and that is their crap as I'm more into enjoying van events with mates with a cold beer and chat of vans.

I'm into year 20 of a project of my own van that is radical of my own body designs from card board molds made into sheet steel panels and body work being tackled by an old school panel man in his large shed.

My van is a 1976 Bedford CF long wheel base van that is now 16 feet long by 6 foot 6 wide and 7 feet tall as the Bedford CF cargo van was of 3 body versions of a small wheel base, long wheel base with single rear wheels of 5 stud axles / wheel nuts and the 3rd is also a long wheel base with all wheels being of a 6 stud wheel pattern and a single rear set of dual rear wheels alike a dually rear wheel set up and the outer wheels are outside the body covered with a add on type rear guard and I drove all 3 in my past of my past work with NZ post office.

My customized van is called Andromeda using a Star Wars theme of the 1977 movie called A New Hope as I'm a basic Star Wars fan and will use many character figures around it when it shall be at a van show.

I hope you all have a good festive season and look forward to keeping in contact of your vanning councils members. I like to learn of what is happening in other countries or of clubs / councils of the past and good times enjoyed with vanners.

Keep on Truckin',

Guy Partridge

## **Colonoscopies are no joke,**

...but these comments during an exam were quite humorous.

A physician claimed that the following are actual comments made by his patients (predominately male) while he was performing their colonoscopies:

1. Take it easy Doc. You're boldly going  
where no man has gone before.
2. 'Find Amelia Earhart yet?'
3. 'Can you hear me NOW?'
4. 'Are we there yet? Are we there yet?  
Are we there yet?'
- 5 'You know, in Arkansas, we're now legally married.'
6. 'Any sign of the trapped miners, Chief?'
7. 'You put your left hand in,  
you take your left hand out...'
8. 'Hey! Now I know how a Muppet feels!'
9. 'If your hand doesn't fit, you must quit!'
- 10 'Hey Doc, let me know if you find my dignity.'
11. 'You used to be an executive at Enron, didn't you?'
12. 'Could you write a note for my wife saying that my  
head is not up there?'
