January 14, 2023 - River Forest Group Camping Area in the Ocala National Forest, near Deland. We have the area booked for January 13 – 15. This will be the Pig Roast meeting.

A motion by Russ, seconded by Spookytooth, that we retain all the current slate of officers for 2023 as we have for 2022 was carried by a hand vote. So, the current officers will be on the ballot at the November meeting. As in the past, the nominations will be opened prior to voting, if another candidate wishes to run.

COUNCIL OF COUNCILS 2023:

FVC will not be making a bid to host the CofC 2023 meeting. The CofC Board was making us jump through too many unnecessary hoops during the negotiation process, so we dropped our bid.

OLD BUSINESS: - None

NEW BUSINESS:

Spookytooth is donating stuff to the Museum of Vanning. Cari also brought stuff to be donated to the Museum, as well. Konehead will see that the stuff gets to Joe.

It was noted that Ritchie and Steve Capps recently passed away, and Lou Oliver appears to have terminal cancer. We're losing a lot of our old friends.

Cari made a motion to adjourn (seconded by Sidewinder) and the meeting was concluded at 12:34pm.

Respectfully submitted,

FVC President

Hello all,

Hope everyone made it thru the storm safe and sound. We decided to leave and go to GSVR, had a great time. Only 30 vans and 35 canceled due to the weather, guess that was their loss, took Lora's mom and she had a great time. Found we had power back Sunday morning so we headed home, a lot of debris and trees down but we got lucky!

Went to the Natz! They did a fabulous job and had 861 vans thru the gate. Vanbourghini took best in class and best interior light show! Looking forward to Konehead & Friends, hopefully it will be a good turnout, live band Friday and Saturday nite, show and shine, mini bike races, tiki bar, dinner with Squirrel Friday nite, lunch Saturday with the parts house, etc. Hope to see everyone there, and I hope we all count our blessings,

Vanners,

Hurricane Ian kept us away from another great Truckin(GSVR), but thankfully Mother Nature allowed us to go to "Burning Van". Another Ohio Nats, another round or 3 of tarp flying madness! While Fla. watches from under our stable canopies we watched a neighbor vanner replace his Canopy 3 different times over the week. "Burning Van"... WoW... Fireworks that ended with the van and display setting ablaze was just plain EPIC.

A fabulous crowd encircled the track to bring an end to the event like no other 🤔 well perhaps there was one...but it wasn't a Nats, was it...?

A trip across country brings much opportunity, and we did our best to play in rivers, mountains, lakes, and many parks, preserves, land management areas, & US corp of Engineer campgrounds as we could muster!

My boats are safe and working again, and we're really looking forward to Konehead & friends!

Gnarly

FVC Treasurer

Hi Vanners,

Well, the year is almost gone and only a few more eVant's left. Seems like it's been a long time since the last truck in. I missed Cherokee this year because of Ian. Something about driving in a hurricane that doesn't appeal to me or my van. We did end up going to North Carolina to visit Pam's sister on Monday for a few days. We had planned to be there on Sunday after the truck-in any ways. So, she got her sister fix, and I got brownie points. I did have those days off any way.

Nationals was great this year. They had somewhere in the upper eight hundreds. Cooper and I with Tom and Cari got there on Wednesday (I left Pam at her sisters in Dunnellon). Just in time for it to get hot. We got our spot, a little tight but not bad. They had lots of activities going on all the time. They had bands for the young and old. Florida brought the pool of course. The burning van was a site to see. They put a lot of work and time into building that thing. It only took about hour to burn. They had nice fireworks to go along with it also. We did have a little rain and a windstorm on Thursday night. Lots of torn up traps on Friday. Overall, they did a great job. Next year it's on to Colorado for the 50th anniversary. We will see who the real vanners are next year!

Coming up we have Kone head and friends. I am sure it will be a fun time. Then the council meeting at Doe Lake. We have Friday and Saturday reserved. But we do need to be out on Sunday by 11:00. You can get in at three on Friday. Bring a covered dish for Saturday night, we will supply the meat. Please pre reg. It will be \$50.00 for Friday and Saturday. If you can only make it for a night, it will be \$30.00. We are not charging anything extra for trailers. Generators are welcome. Bring your fishing poles. This place has a nice kitchen and dining area. I will try and bring some music. Also bring a bundle or two of firewood (the kind from the store). Call that part of admission. Come and kiss 2022 goodbye!!!

Next up will be Museum of Vanning fundraiser on December 10-12. See the web site for more info. Then in January 13-15, 2023 we have Vanners in the forest. We have that until Monday the 16th. So, if you want to stay Sunday night you can, but you need to be out by 11:00 on Monday. See the website for more info. Please pre reg!!!!!!

Broward is having our eVant at Sidewinders on March 10-13,2023. Flyers will be out soon! So come and spend daylight savings with us. Maybe Lew's place will be done by then?

That's it for now. Dues are due!!!!!!

Linard

What a summer. We had great fun building the Van for the 49th Nationals. Carol & Ray, Jimmy & Lucy, Scotty & Amy, Ken & Carla, Coop, Gerry and I plus may other pitched in to put the van together. We had a blast. We spent a better part of the week building it and it burned in about ½ hour.

I'd like to thank all of you who came to the 49th Nationals (873 vans) to support vanning. It was a lot of work but well worth it. Sorry I didn't get to spend much time with all of you. Thanks goes to the Nats Board for their support especially Judi who was the treasurer. Congratulations to all who won a show trophy.

After resting up from the Nats I headed to PA to visit my daughter and while there took a side trip to Massachusetts for Boogie Affair got to see a lot of vanners who could not make the National. Then I went to NJ for an event. Had a great time there as well, then it was off to Butler PA for 3 Rivers Vans last event. They went out with a bang. Had fun with everyone at Last Change in OH and then it was off to see sights at New River Gorge National Park and last but certainly not least a stop at GSVR. Due to Ian may missed the event but we had a good time and the rain held off for the most part.

Ian left a lot of our fellow vanners with some damage. Many of our fellow vanners have purchased homes the south gulf coast in the last year or so and didn't make out as well as others. But from what I could see on FB they had great attitudes about the storm

Looks like we are going to have another Council of Councils in OH this year. Hope some of us can attend.

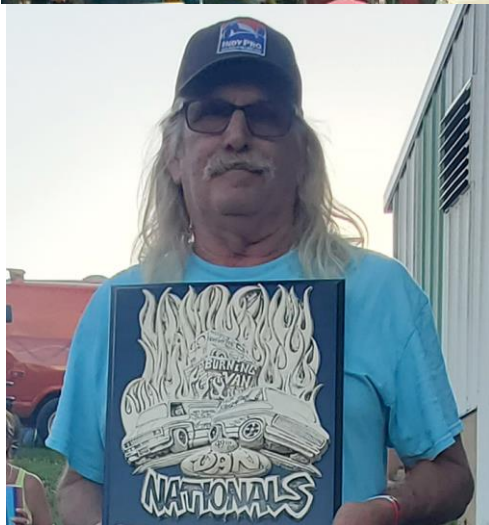

Keep on Vanning Judith
